Vestments for All Seasons Barbara Dee Bennett, 2002-12-01 A complete guide to what clergy wear including the various cloths a brief history and theology of each liturgical garment Vestments the robes stoles or other items worn by clergy or cloths used at the altar not only add beauty to a worship service but are visual clues to the liturgical season and to the tone of a particular service The most beautiful and meaningful vestments are often those made for a particular priest serving in a specific sanctuary But many shy away from trying to sew vestments which seem too complicated and difficult to make In Vestments for All Seasons Barbara Baumgarten demystifies the making of vestments from designing and fitting patterns to fabric and color selection to putting on the finishing touches She provides patterns and directions for producing special vestments for Advent and Lent Easter and Pentecost and general instructions for designing and making vestments completely from scratch A history of the development of vestments from Roman times to the present is included as well as a full glossary describing the various vestments worn by clergy bishops deacons and choir

Pentecostal Aesthetics Steven Felix, 2015-02-04 Pentecostals have not sufficiently worked out a distinctively Pentecostal philosophy of art and aesthetics In Pentecostal Aesthetics Theological Reflections in a Pentecostal Philosophy of Art and Aesthetics with a foreword by Amos Yong Steven Felix corrects this by reflecting theologically on art and aesthetics from a global Pentecostal perspective particularly through a pneumatic Pentecostal lens Felix contends that a Pentecostal philosophy of art and aesthetics must comply with the global experiential and pneumatocentric nature of the Pentecostal movement Such a philosophy can be ontologically grounded in a relativistic theory of art Theological reflections concerning the nature and purpose of art must then be sensitive to the ontological foundations secured thereof In this fashion Pentecostals can gain ample insight about the Spirit's work in today's contemporary artworld

God's Design For the Church Apostle Sharon E. Harris, 2024-05-08 The Church of the Living God is the only organization in this world that will transcend to the next world and throughout all eternity Everything else in this world will vanish away but God's Church will last for all eternity now and forever God has structured the Church and everyone must know what that structure is The information in this book has been divinely inspired by the Holy Spirit because Scripture is used to answer Scripture It is based on what God says with Scriptures that make it plain The information in this timeless book will change a Church a ministry and also change a Believer's personal walk with the Lord It is group worthy as well as individual worthy of study because God has His Blueprint for His Church and it is all hidden in Scriptures and being able to interpret the language of the Author which is the Holy Spirit will lead us in the wealth of Spiritual prosperity The Holy Spirit is the Designer of God's Blueprint for His Church and He wants us all to understand His way because no prophecy of the Scriptures is of private interpretation He wants us to know how we are individually and collectively designed and knowing this will transform us into His glorious Church This book will help you recognize your place in the Body of Christ His Church as He works on us individually and collectively Till we all come in the unity of the faith

and of the knowledge of the Son of God unto a perfect man unto the measure of the stature of the fulness of Christ Ephesians 4 13 This book is profitable for individual Church and group studies It will help you see the spiritual construction from beginning to end from start to finish and we will stand in awe of this great Architect the designer of our souls God our Father and the Lord Jesus Christ **Pentecostal Theology for the Twenty-first Century** MayLing Tan-Chow,2007-01-01 This is a book for students pastors teachers and theologians concerned for an approach to mission that is sensitive to their context who want to learn from a creative theological voice from what has been perhaps the largest religious movement in history and who see the immense potential in lively theology by Christians of the Chinese diaspora who can speak to the many millions of ethnic Chinese Christians This book will also appeal to those outside Christianity who are interested in its attempts to engage with a complex multi ethnic and multi religious situation such as that in Singapore **Three's a Crowd** Jacqueline Grey,2011-06-13 Three s a Crowd brings together the three dialogue partners of Pentecostalism hermeneutics and the Old Testament Previous attempts by Pentecostal academics to define a distinctive Pentecostal hermeneutic have focused on issues and application to the New Testament consequently estranging the Old Testament from the conversation This book engages the hermeneutical practices of Pentecostal and Charismatic groups in reading the Old Testament in ways that are representative while critical of their movement s ideological bases and visions While the issue of understanding and developing a viable Pentecostal hermeneutic has continued to be debated within the academic journals of the community for over a decade most discussion has focused on the prescription of ideals rather than on the actual practice of the contemporary community By examining the reading practices of the Pentecostal and Charismatic community this book suggests a unique and rounded reading method that maintains the strengths of Pentecostal reading practices while addressing their inherent weaknesses In this way the voices of the three dialogue partners emerge in a mutual fellowship that engages both the needs of the Pentecostal community and informs the wider ecumenical dialogue **Worship and Festivals** Gwyneth Windsor,1990 One of a series for lower secondary pupils which aims to provide a foundation for GCSE and Standard Grade work It uses an active learning approach to help students to develop an understanding of all aspects of the Christian faith This book covers worship and the Christian festivals Jesus: the Model Missionary Reuben J. Sequeira,2015-04-23 Jesus provided our model for all ministry Jesus either taught by example or taught through the Word He alone has given the acceptable standard for ministry without exception He was cross cultural in His ministry He ministered to individuals and groups He identified and ministered to all regardless of status or creed the rich the poor the religious the rejected men women and children He ministered to all ethnic groups of the day to the Galileans and hated Samaritans and Romans He modeled His life on earth with the last act of grace before His death on the cross with His word of forgiveness to the thief on the cross The reading of this book should inspire you confirm in your hearts your present ministry and bring about lasting challenges and changes where needed to experience the power of the Holy Spirit **Lord of Creation** ,
