Readers Theatre About Baseball:

Getting Ready to Read with Readers Theatre Suzanne I. Barchers, Charla R. Pfeffinger, 2007-04-30 Getting Ready to Read with Readers Theatre contains fifty reproducible scripts to entice the preschool and kindergarten group into beginning to read. These patterned scripts based on nursery rhymes, poetry, and other fun things to read are grouped into traditional preschool and kindergarten curricular groupings. Reading level based on the Flesch-Kincaid scale will be 0-0. Kids will learn to read by hearing and repeating and seeing the patterns. The authors will include information about props, staging, and how to introduce the concept of reading together to these very young children. **From Children's Literature to Readers**

Theatre Elizabeth A. Poe, 2013-03-19 How do you get children excited and engaged with books? Get them onstage! Readers Theatre is a staged reading of literature with participants reading from scripts conveying the book's story using voice and facial expressions. In this book, Poe introduces and shows how to implement the concept, demonstrating how Readers Theatre offers educators an innovative opportunity to acquaint children and young people with quality literature, develop their public speaking skills, and teach teamwork in an activity that is as entertaining as it is educational. A veteran of many Readers Theatre programs, she explains how to create successful programs, providing detailed instruction for ways librarians can help children and teens develop and perform their own Readers Theatre scripts. An annotated bibliography of 100 books suggested for their Readers Theatre potential, with excerpts from scripts and the passages from which they were adapted. Programming ideas that can be adapted for use across different age levels from preschool to YA. Comments from prominent children's authors who have shared Readers Theatre experiences with Poe. Combining the theoretical and the practical, Poe's book helps children and YA librarians assist young people in developing a lifelong love of literature. **Multi-Grade**

Readers Theatre Suzanne I. Barchers, Charla R. Pfeffinger, 2009-05-19 36 readers theatre scripts use authors and illustrators to awaken student imaginations. This book of 36 readers theatre scripts, one for each week of the school year, concentrates on scripts written at multiple reading levels, with a large number of parts including choral reading parts that enable the entire class to participate. The first 18 scripts are written for 1st-3rd grade reading levels and feature giants of kids literature like Margaret Wise Brown, James Marshall, Bill Martin Jr., Bill Peet, and Beatrix Potter. The second 18 scripts are written for 2nd-4th grade reading levels to allow for growth throughout the school year. This group of plays introduces students to Stan Berenstain, Arnold Lobel, Shel Silverstein, and Tasha Tudor, among others. Carefully designed to meet the needs of students of various reading levels, the scripts are also ideal for use with remedial readers. Grades 2-5. *Read and Write Sports* Anastasia Suen, 2011-04-12 This book allows students to bring the energy of their everyday lives into the classroom via sports-based readers theatre and writing activities. Team sports like football, baseball, basketball, hockey, and soccer. Individual athletic pursuits such as skating, gymnastics, track, BMX, and skateboarding. These are the activities that hold a powerful and universal appeal for kids. *Read and Write Sports: Readers Theatre and Writing Activities for Grades 3-8* makes

students forget they're learning by delivering the action and emotion of their favorite pursuits as they participate in readers theatre activities and writing exercises such as composing an action reaction poem for each sport. These activities allow students to draw from their personal experience and bring their extracurricular activities into the classroom by writing a narrative scene for different sports throughout the school year. Each chapter provides filled out examples to model the pre-writing process making it easy for students to see how others think before they write.
