Andy Warhol, Publisher Lucy Mulroney, 2018-10-23 Although we know him best as a visual artist and filmmaker Andy Warhol was also a publisher Distributing his own books and magazines as well as contributing to those of others Warhol found publishing to be one of his greatest pleasures largely because of its cooperative and social nature Journeying from the 1950s when Warhol was starting to make his way through the New York advertising world through the height of his career in the 1960s to the last years of his life in the 1980s Andy Warhol Publisher unearths fresh archival material that reveals Warhol's publications as complex projects involving a tantalizing cast of collaborators shifting technologies and a wide array of fervent readers Lucy Mulroney shows that whether Warhol was creating children's books his infamous boy book for gay readers writing works for established houses like Grove Press and Random House helping found Interview magazine or compiling a compendium of photography that he worked on to his death he readily used the elements of publishing to further and disseminate his art Warhol not only highlighted the impressive variety in our printed culture but also demonstrated how publishing can cement an artistic legacy

Translating Warhol Reva Wolf, 2024-07-11 The first study of the translations of Andy Warhol's writing and ideas Translating Warhol reveals how translation has alternately censored exposed or otherwise affected the presentation of his political and social positions and attitudes and in turn the value we place on his art and person Andy Warhol is one of the most influential artists of the 20th century and a vast global literature about Warhol and his work exists Yet almost nothing has been written about the role of translations of his words in his international reputation Translating Warhol fills this gap developing the topic in multiple directions and in the context of the reception of Warhol's work in various countries The numerous translations of Warhol's writings words and ideas offer a fertile case study of how American art was and is viewed from the outside Both historical and theoretical aspects of translation are taken up and individual chapters discuss French German Italian and Swedish translations Warhol's translations of his mother's native Rusyn language and culture the Indian artist Bhupen Khakhar's performative translations of Warhol and Warhol as translated for documentary television Translating Warhol offers a fascinating multi-faceted perspective on Warhol contributing to our understanding of his place in history as well as to translation theory and inter-cultural exchange

Andy Warhol's Mother Elaine Rusinko, 2024-11-19 While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art Julia Warhola's story has not yet been told As an American immigrant who was born in a small Carpatho-Rusyn village in Austria-Hungary in 1891 Julia never had the opportunity to develop her own considerable artistic talents Instead she worked and sacrificed so her son could follow his dreams helping to shape Andy's art and persona Julia famously followed him to New York City and lived with him there for almost twenty years where she remained engaged in his personal and artistic life She was well known as Andy Warhol's mother even developing a distinctive signature with the title that she used on her own drawings Exploring previously unpublished material including Rusyn language correspondence and videos

Andy Warhol's Mother provides the first in depth look at Julia's hardscrabble life, her creative imagination and her spirited personality. Elaine Rusinko follows Julia's life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant garde New York. Rusinko explores the impact of Julia's Carpatho-Rusyn culture, Byzantine Catholic faith and traditional worldview on her ultra-modern son, the quintessential American artist. This close examination of the Warhol family's lifeworld allows a more acute perception of both Andy and Julia while also illuminating the broader social and cultural issues that confronted and conditioned them.

Timelines of American Literature Cody Marrs, Christopher Hager, 2019-01-29 A collection of engaging essays that seeks to uniquely reperiodize American literature. It is all but inevitable for literary history to be divided into periods: Early American, antebellum, modern, post-1945. Such designations organize our knowledge of the past and shape the ways we discuss that past today. These periods tend to align with the watershed moments in American history, even as the field has shifted its perspective away from the nation-state. It is high time we rethink these defining periods of American literary history as the drawing of literary timelines is a necessary, even illuminating practice. In these short, spirited and imaginative essays, 23 leading Americanists gamely fashion new, unorthodox literary periods from 600 B.C.E. to the present, from the Age of Van Buren to the Age of Microeconomics. They bring to light literary and cultural histories that have been obscured by traditional timelines and raise provocative questions: What is our definition of modernism if we imagine it stretching from 1865 to 1965 instead of 1890 to 1945? How does the captivity narrative change when we consider it as a contemporary, not just a colonial genre? What does the course of American literature look like set against the backdrop of federal denials of Native sovereignty or housing policies that exacerbated segregation? Filled with challenges to scholars, inspirations for teachers, anchored by an appendix of syllabi and entry points for students, *Timelines of American Literature* gathers some of the most exciting new work in the field to showcase the revelatory potential of fresh thinking about how we organize the literary past.

Reading Andy Warhol Andy Warhol, Nina Schleif, Marianne Dobner, Museum Brandhorst, 2013 From his student days onward, Andy Warhol has been fascinated by the medium of print. Starting with illustrations for famous novels by Truman Capote or Katherine Anne Porter, he was a successful graphic designer who also made playful thematic booklets that he handed out to New York's fashion scene as advertising. This extensive volume presents his achievements in book design and writing from the standpoints of art history and literary theory.

Andy Warhol Donna M. De Salvo, Jessica Beck (Art museum curator), 2018-01-01 A unique 360-degree view of an incomparable 20th-century American artist. One of the most emulated and significant figures in modern art, Andy Warhol (1928-1987) rose to fame in the 1960s with his iconic Pop pieces. Warhol expanded the boundaries by which art is defined and created groundbreaking work in a diverse array of media that includes paintings, sculptures, prints, photographs, films, and installations. This ambitious book is the first to examine Warhol's work in its entirety. It builds on a wealth of new research and materials that have come to light in recent decades and offers a rare and much-needed comprehensive look at the full

scope of Warhol's production from his commercial illustrations of the 1950s through his monumental paintings of the 1980s Donna De Salvo explores how Warhol's work engages with notions of public and private the redefinition of media and the role of abstraction while a series of incisive and eye opening essays by eminent scholars and contemporary artists touch on a broad range of topics such as Warhol's response to the AIDS epidemic his international influence and how his work relates to constructs of self image seen in social media today

Theorising the Artist Interview Lucia Farinati, Jennifer Thatcher, 2024-08-29 Reflecting on the relationship between artists and their audiences this book examines how artists have presented themselves publicly through interviews and sought to establish a critical voice for themselves Considering the interview as a form of cultural production contributors explore the criteria for determining the artist interview as a distinct field of research in relation to other cultural fields Structured in four parts History and Historiography Subverting the Biographical Model Interviews as Practice and Materiality and Technology the book takes an interdisciplinary approach that encompasses the fields of art history fine art oral history curating media studies and museum conservation By theorising the artist interview as a form of cultural production and embracing it as a co constructed critical practice this volume aims to show and encourage an approach to art history which dismantles old hierarchies in favour of valuing dialogue and collaboration The book will be of interest to scholars working in art history museum studies oral history and historiography

Becoming Andy Warhol Nick Bertozzi, 2016-10-04 Celebrated during his lifetime as much for his personality as for his paintings Andy Warhol 1928-87 is the most famous and influential of the Pop artists who developed the notion of 15 minutes of fame and the idea that an artist could be as illustrious as the work he creates This graphic novel biography offers insight into the turning point of Warhol's career and the creation of the Thirteen Most Wanted Men mural for the 1964 World's Fair when Warhol clashed with urban planner Robert Moses architect Philip Johnson and Governor Nelson Rockefeller In *Becoming Andy Warhol* New York Times bestselling writer Nick Bertozzi and artist Pierce Hargan showcase the moment when by stubborn force of personality and sheer burgeoning talent Warhol went up against the creative establishment and emerged to become one of the most significant artists of the 20th century
