MICHAEL J. GORMAN

Reading Paul Cascade Companions

**Christopher W. Skinner, Kelly R.
Iverson**

Reading Paul Cascade Companions:

Reading Paul Michael J. Gorman, 2008-01-01 In this new introduction to the Apostle Paul and his gospel written especially for lay readers for beginning students and for those unsure about what to make of Paul Michael J Gorman takes the apostle seriously as someone who speaks for God and to us After an overview not only of Paul's radical transformation from persecutor to proclaimer but also of his letter writing in the context of Paul's new mission *Reading Paul* explores the central themes of the apostle's gospel Gorman places special emphasis on the theopolitical character of Paul's gospel and on the themes of cross and resurrection multiculturalism in the church and peacemaking and nonviolence as the way of Christ according to Paul Gorman also offers a distinctive interpretation of justification by faith as participation in Christ an interpretation that challenges standard approaches to these Pauline themes *Reading Paul* demonstrates that the apostle of faith hope and love speaks not only to our deepest spiritual needs but also to the challenging times in which we live

Reading Galatians in First-Century Context Panayotis Coutsoumpas, 2019-06-18 The apostle Paul wrote the epistle to the Galatians By far Galatians is one of the most controversial letters among the Pauline writings Galatians appears to have been written in instantaneous response to what Paul observed as an urgent crisis among the Galatian churches For Galatians provides us with more personal and autobiographical information than any other letters of the apostle Paul When all the information and the teaching is integrated with the teaching of the letter itself it helps us to build up a strong picture of Paul the missionary and theologian and also allows us to situate the letter to Galatia itself within both his life and his theology To the Galatians however Paul had preached Christ crucified and response of faith had resulted in rich and powerful experience of the Spirit Paul's recollection also gives valuable information regarding those to whom the letter was addressed and about their admission into Christian faith

Reading Mark Kelly R. Iverson, 2023-10-02 The Gospel of Mark is a relatively short book whose brevity and style create an engaging narrative experience But Mark's Gospel is by no means a simple text and scholars have long puzzled over various features of the narrative *Reading Mark* offers an accessible introduction to Mark's story of Jesus as well as to important scholarly discussions Equipping students to become better interpreters of Mark the discussion focuses on key elements of the narrative including the presentation of Jesus and the disciples the so called messianic secret and the enigma of Mark's ending Designed for beginning students *Reading Mark* offers a broad and inclusive orientation to the fascinating world of Mark's Gospel

Unity and Diversity in the Gospels and Paul Christopher W. Skinner, Kelly R. Iverson, 2012-06-27 This volume addresses the perennial issue of unity and diversity in the New Testament canon Celebrating the academic legacy of Fr Frank J Matera colleagues and friends interact with elements of his many important works Scholars and students alike will find fresh and stimulating discussions that navigate the turbulent waters between the Gospels and Paul ranging from questions of Matthew's so called anti Pauline polemic to cruciform teaching in the New Testament The volume includes contributions from leading scholars in the field offering a rich array of

insights on issues such as Christology social ethics soteriology and more The contributors are Paul J Achtemeier Sherri Brown Raymond F Collins A Andrew Das John R Donahue S J Francis T Gignac S J Michael J Gorman Kelly R Iverson Luke Timothy Johnson Jack Dean Kingsbury William S Kurz S J John P Meier Francis J Moloney S D B Christopher W Skinner and Matt Whitlock *Paul's New Perspective* Garwood P. Anderson, 2016-09-29 The debate between the Old and New perspectives on Paul has reached a stalemate But what if Paul's own theological perspective developed over time Starting with the teaser that both camps are right but not all the time Garwood Anderson unfolds a new proposal for overcoming the deadlock infusing new energy into the quest for understanding Paul's mind and letters Reading Revelation Responsibly Michael J. Gorman, 2011-01-01 Reading Revelation Responsibly is for those who are confused by afraid of and or preoccupied with the book of Revelation In rescuing the Apocalypse from those who either completely misinterpret it or completely ignore it Michael Gorman has given us both a guide to reading Revelation in a responsible way and a theological engagement with the text itself He takes interpreting the book as a serious and sacred responsibility believing how one reads teaches and preaches Revelation can have a powerful impact on one's own and other people's well being Gorman pays careful attention to the book's original historical and literary contexts its connections to the rest of Scripture its relationship to Christian doctrine and practice and its potential to help or harm people in their life of faith Rather than a script for the end times Gorman demonstrates how Revelation is a script for Christian worship witness and mission that runs counter to culturally embedded civil religion A Concise Guide to Reading the New Testament David R. Nienhuis, 2018-01-02 The New Testament came together and comes to us not as a randomly sorted set of individual books but as a definitely shaped and ordered whole This concise theological introduction to the New Testament sheds light on the interpretive significance of the canon's structure and sequence and articulates how the final shape of the canon is formative for Christian discipleship Providing an essential overview often missing from New Testament books and courses this book will serve as an accessible supplement to any New Testament or Bible introduction textbook **The People and the Book** Caroline Litzenberger, 2022-10-21 This book tells the story of the people's experience in dealing with profound changes in religion during the English Reformation Continental Protestantism influenced the changing nature of English religion but Catholicism was still the familiar old religion Official religious policy swung back and forth between different forms of Protestantism and Catholicism probably causing some to experience some form of spiritual whiplash But most clung to their old familiar faith Official religious policies provide the backdrop for this story with the people taking the lead Over time especially during Elizabeth I's reign Protestantism became more familiar leading most people to accept some form of that new religion by the end of her reign However religion continued to change or at least to shift in subtle ways And so the book's story doesn't end with Elizabeth's death It continues through key religious developments in England and beyond answering the question of how the church of Elizabeth's day became the global Anglican church of today **Reading Kierkegaard I** Paul

Martens,2017-01-20 In his posthumously published Journals and Papers Kierkegaard boldly claimed Oh once I am dead Fear and Trembling alone will be enough for an imperishable name as an author Then it will be read translated into foreign languages as well The reader will almost shrink from the frightful pathos in the book Certainly Fear and Trembling has been translated into foreign languages and its fame has ensured Kierkegaard s place in the pantheon of Western philosophy Today however most shrink from the book not because of its frightful pathos but because of its fearsome impenetrability In this first volume of a Reading Kierkegaard miniseries Martens carefully unfolds the form and content of Kierkegaard s celebrated pseudonymous text guiding and inviting the reader to embrace the challenge of wrestling with it to the end Throughout Martens demonstrates that Fear and Trembling is not merely a book that contains frightful pathos it is also an entree into Kierkegaard s vibrant and polyphonic corpus that is nearly as restless as the faith it commends American Theological Inquiry, Volume One, Issue One

Gannon Murphy,2008-01-25 American Theological Inquiry ATI was formed in 2007 by Drs S Gannon Murphy PhD St David s College Univ Wales Theology Presbyterian Reformed and Stephen Patrick PhD Univ Illinois Philosophy Eastern Orthodox to open up space for diverse Christian academicians who affirm the Ecumenical Creeds to share research throughout the broader Christian scholarly community in America ATI reaches thousands of Christian scholars throughout the United States particularly specialists in theology Though ATI is a new journal scholars who publish with ATI benefit from exposure to a vast non insular network of one of the broadest Christian academic communities possible
