Real Influence Persuade Without Pushing And Gain Without Giving In:

Real Influence Mark Goulston, John Ullmen, 2013-01-02 Authentic influence is about more than creating a strong initial connection it's about sustaining professional relationships long after an agreement has been reached When others sense they are being pushed their guard goes up In business interactions even if the person you are pitching to does comply with your requests lingering resentment may undermine the relationship forever So why do most books on influence still portray it as something you do to someone else to get your way Based on their commitment to listening genuine engagement and the pursuit of win win outcomes doctors and authors Mark Goulston and John Ullmen share a new method that business leaders can utilize to persuade others In Real Influence Goulston and Ullem teach you how to examine priorities learn about the needs of key players earn others attention motivate others to hear more and add value with question and actions Outdated approaches that portray influence as a means to get your way invites resistance and cynicism from those who recognize the techniques Manipulative tactics fail to produce the mutual trust that sustains successful relationships Complete with examples of the steps in action and insights from real world power influencers Real Influence is a one of a kind guide that showcases how being straight with everyone means winning for all
