Reasoning From The Scriptures With The Mormons:

Reasoning from the Scriptures with the Mormons Ron Rhodes, Marian Bodine, 1995-07-01 Have the Mormons ever left you unsure of what to say Their arguments are convincing their teachings seem indisputable and their stand on what they believe is firm How can you effectively communicate to the Mormons that their gospel does not match up with the Bible One of the best ways is to ask penetrating questions Cult experts Ron Rhodes and Marian Bodine will help you understand the main points of Mormonism and discover where it falls short of God's truth They then equip you to ask strategic questions that challenge the Mormon claim to be the only true church the reliability of Mormon prophets the authenticity of the Book of Mormon Jesus supposed visit to ancient America the Mormon view of God Jesus and the Holy Spirit and much more You'll find Reasoning from the Scriptures with the Mormons a valuable guide to responding to Mormons with confidence *The Complete Guide to Christian Denominations* Ron Rhodes, 2015-03-01 Do you ever wonder what the difference is between one denomination and another Why are there so many kinds of Baptist or Presbyterian or Lutheran churches Where do those names come from anyway You can find answers in this concise but comprehensive guide Learn about the leaders teachings and history of most of the church families in America In addition to membership statistics you'll find a brief explanation of how the denomination began a short summary of its teaching on God the Bible the church and other important topics a quick overview of some of its distinctive characteristics Whether you're looking for a new church or enriching your fellowship with believers from other traditions you'll be much better prepared with this revised and expanded edition of *The Complete Guide to Christian Denominations* *I Am Put Here for the Defense of the Gospel* Terry L. Miethe, 2016-04-19 Dr Norman L Geisler has been called the father of evangelical Christian philosophy He has written more than one hundred books and taught at universities and top seminaries for some fifty six years He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics He has spoken or debated in more than two dozen countries and held pastoral pulpit ministries in four states Many view him as a cross between Thomas Aquinas and Billy Graham No one has done more to communicate the modern challenges of the Faith to the average Christian to the church and to the academy This volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate Dr Geisler's ideas and express appreciation for his influence Those who know him best say he is true faithful and blessed by God *The 10 Most Important Things You Can Say to a Mormon* Ron Rhodes, 2001-08-15 Covers the Mormon view of the Bible the Book of Mormon origins Stresses the importance of the Trinity salvation by grace not works and more [10 Keys to Witnessing to Cults](#) Rose Publishing, 2008-02 Cults are based on a simple theological fallacy that God is not what the Bible says that He is Once simple scriptural observations are made we can be sure that there is a God and that He is everything that He claims to be in His Word Having a dialogue with someone who believes differently about God can be difficult but this pamphlet helps in many ways Clearly explaining how cultists think

giving biblical responses to their arguments providing information about additional resources and offering questions that cultists must answer for themselves authors Ron Rhodes and Christy Harvey Darlington provide a simple resource to assist Christians in their conversations with those involved in cults **Another Jesus, a Different Spirit, a Different Gospel** Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book *Cult Shock* Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah s Witnesses and Mormons when they come knocking *Cult Shock* is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah s Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler s recommended engagement techniques from their years of experience *Cult Shock* provides all the tools you need to proclaim the real Jesus with fearless confidence **The Christian Countercult Movement** Douglas E. Cowan, 2023-08-24 Many seemingly strange questions on yoga salvation religious pluralism and so forth have been actively debated among members of a small but influential group of evangelical apologists known as the Christian countercult movement This Element explores the history of this movement from its origins in the anti heresy writings of the early church to its modern development as a reaction to religious pluralism in North America It contrasts the apologetic Christian countercult movement with its secular

anticult counterpart and explains how faith based opposition both to new religious movements and to non Christian religions will only deepen as religious pluralism increases It provides a concise understanding of the two principal goals of Christian countercult apologetics support for the evangelization of non Christian believers and maintenance for the perceived superiority of the evangelical Christian worldview

Bearing False Witness? Douglas E. Cowan, 2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah's Witnesses to the New Age religious pluralism in North America presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these groups represent a threat to society In *Bearing False Witness* R Cowan considers the Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult's early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important

End-Times Super Trends Ron Rhodes, 2017-09-05 Making Sense of Crucial Last Days Signs Pressure is rising The global atmosphere is morphing as never before It's time to pay attention to the warnings around us that point to inevitable catastrophes to come Bible prophecy expert Ron Rhodes surveys 15 current trends that affect us on a worldwide national and personal scale suggesting some inescapable consequences to our safety rights and way of life You will see how the stage is being set for the end times with such drastic developments as the escalation of cyberwarfare the deterioration of religious freedom the dissolution of the family unit With eye opening research and a helpful examination of Scripture Rhodes clearly shows where trends are leading while advocating a response based on hope truth and preparation rather than fear
