Secrets Jacob Vance,2014-09-11 In *Secrets Humanism Mysticism and Evangelism in Erasmus of Rotterdam* Bishop Guillaume Bri onnet and Marguerite de Navarre Jacob Vance argues that Erasmus and French Evangelical humanists made secrecy central to their literary thought They revived Scriptural medieval and early Renaissance notions of secrecy in their spiritual and profane literature to advance the reforms in church and society that they advocated Erasmus Bri onnet and Marguerite expanded on Origenian Augustinian and pseudo Dionysian concepts of divine mystery as being secret throughout their works By developing the idea that the divine remains both transcendent and immanent in the world of creation these humanists explored through literature how the human spirit can either accede or fail to accede to the secrets of Christian wisdom

Eternal Doctrine Eternal Doctrine,2018-09-16 Eternal Doctrine The Bible in Sequence Edition 1 By Eternal Doctrine The Bible in Sequence Eternal Doctrine Volume 1 presents an in depth analysis of the bible is presented as a contemporary version of the King James Bible With commentary analysis and further enhancement of the familiar Bible text the books of the Bible are introduced in a way that lends itself to readability and new viewpoints Presenting both the Old and New Testaments in sequence and by events rather than the typical order this volume fully explores the Bible and extends the opportunity to scholars and readers for a greater understanding and appreciation

Yahweh's Breath Bible, Volume 2 Jerry Ayers,2010-05 Yahweh s Breath is a unique Bible In original Hebrew language it would be Yahweh s Nshamah meaning Yahweh s puff or breath of divine inspiration It was written in the Literal form of the original languages of Hebrew and Greek

and then matched with the New Strong's Exhaustive Concordance of the Bible a thorough verbal index to the Holy Scriptures. It's one of a kind format puts the Sacred Name of our Father Creator back into the text where it had been removed nearly 6 000 times by the scribes and translators throughout history. An outstanding feature also makes those hard to pronounce Biblical names easy as they were written in the original language of the script with the pronunciation following the name. Also the meanings of some of the names follows the pronunciation. Using the wording from the Strong's Exhaustive Concordance of the Bible gives His Word a detailed come to life picture in your mind. At times you can see the glistening green grass or smell the fragrant smoke of spices. If you listen carefully you can hear the vibrating trumpet ram's horns or taste the sticky gummy syrup of honey. You might even be able to feel with your finger the scar from the spikes in the hands and feet of the Messiah. Another feature of this version of His Word the Bible is that any added text by our Romanized translations that was not in the original text languages has been put back into its original form. Above all this version makes reading and understanding His love letter to us about His Son easy and enjoyable.
