Modern Health Care Marketing Gamini Gunawardane, 2020-06-05 This book aims to comprehensively address several modern concepts and practices in health care marketing not sufficiently addressed by existing literature This includes the integrated nature of health care marketing operations management IT and human resource management increased use of digital technology and social media emphasis on enhancing customer patient experience when strategizing and implementing health care marketing application of modern services marketing concepts to health care marketing mix among others It also addresses recent changes in the U S health care industry Some key issues covered are the increase in federal and state government involvement and oversight of health care delivery increase in laws and regulations affecting health care management and marketing growth of specialized health care markets such as Medicare Medicaid and Affordable Care Act globalization of health care and greater focus on legal and ethical health care marketing practices Modern Health Care Marketing is an essential read to understand the integrated

nature of health care marketing in the technologically driven customer patient focused and globalized environment It is also a useful reference for professionals to pick up best practices on addressing challenges faced in the modern health care industry

The Wallet Allocation Rule Timothy L. Keiningham, Lerzan Aksoy, Luke Williams, Alexander J. Buoye, 2015-02-04 Customer Loyalty Isn't Enough Grow Your Share of Wallet The Wallet Allocation Rule is a revolutionary definitive guide for winning the battle for share of customers hearts minds and wallets Backed by rock solid science published in the Harvard Business Review and MIT Sloan Management Review this landmark book introduces a new and rigorously tested approach the Wallet Allocation Rule that is proven to link to the most important measure of customer loyalty share of wallet Companies currently spend billions of dollars each year measuring and managing metrics like customer satisfaction and Net Promoter Score NPS to improve customer loyalty These metrics however have almost no correlation to share of wallet As a result the returns on investments designed to improve the customer experience are frequently near zero even negative With The Wallet Allocation Rule managers finally have the missing link to business growth within their grasp the ability to link their existing metrics to the share of spending that customers allocate to their brands Learn why improving satisfaction or NPS does not improve share Apply the Wallet Allocation Rule to discover what really drives customer spending Uncover new metrics that really matter to achieve growth By applying the Wallet Allocation Rule managers get real insight into the money they currently get from their customers the money available to be earned by them and what it takes to get it The Wallet Allocation Rule provides managers with a blueprint for sustainable long term growth

Policy and Marketing Strategies for Digital Media Yu-li Liu, Robert G. Picard, 2014-04-16 With digital media becoming ever more prevalent it is essential to study policy and marketing strategies tailored to this new development In this volume contributors examine government policy for a range of media including digital television IPTV mobile TV and OTT TV They also address marketing strategies that can harness the unique nature of digital media s innovation production design and accessibility They draw on case studies in Asia North America and Europe to offer best practices for both policy and marketing strategies

The New Advertising Valerie K. Jones, Ruth E. Brown Ph.D., Ming Wang, 2016-09-19 The era of big data has revolutionized many industries including advertising This is a valuable resource that supplies current authoritative and inspiring information about and examples of current and forward looking theories and practices in advertising The New Advertising Branding Content and Consumer Relationships in the Data Driven Social Media Era supplies a breadth of information on the theories and practices of new advertising from its origins nearly a quarter of a century ago through its evolution to current uses with an eye to the future Unlike most other books that focus on one niche topic this two volume set investigates the overall discipline of advertising in the modern context It sheds light on significant areas of change against the backdrop of digital data collection and use The key topics of branding content interaction engagement big data and measurement are addressed from multiple perspectives With contributions from experts in academia as well as the advertising and marketing industries this unique set is an

indispensable resource that is focused specifically on new approaches to and forms of advertising Readers will gain an understanding of the distinct shifts that have taken place in advertising They will be able to build their knowledge on frameworks for navigating and capitalizing on today's fragmented consumer focused digital media landscape and they will be prepared for what the future of advertising will likely bring Effective Complaint Management Bernd Stauss, Wolfgang Seidel, 2019-01-31 This practice and research based book caters to the needs of executive managers who see customer satisfaction as their primary goal The authors identify the need for an effective complaint management strategy that prevents the loss of dissatisfied customers Dissatisfied customers are at risk of migrating accordingly neglecting professional complaint management poses a considerable threat to customer relationships sales and profits The book offers a comprehensive management concept which emphasizes direct contact with the complainant by employing complaint stimulation acceptance processing and reaction Further it discusses the relevant backstage tasks involved in using complaint information to achieve quality improvements and cost reductions through complaint analysis controlling and reporting
