Keysha Diaries **Pogrom in Gujarat** Parvis Ghassem-Fachandi,2012-04-08 In 2002 after an altercation between Muslim vendors and Hindu travelers at a railway station in the Indian state of Gujarat fifty nine Hindu pilgrims were burned to death The ruling nationalist Bharatiya Janata Party blamed Gujarat s entire Muslim minority for the tragedy and incited fellow Hindus to exact revenge The resulting violence left more than one thousand people dead most of them Muslims and tens of thousands more displaced from their homes Parvis Ghassem Fachandi witnessed the bloodshed up close In Pogrom in Gujarat he provides a riveting ethnographic account of collective violence in which the doctrine of ahimsa or nonviolence and the closely associated practices of vegetarianism became implicated by legitimating what they formally disavow Ghassem Fachandi looks at how newspapers movies and other media helped to fuel the pogrom He shows how the vegetarian sensibilities of Hindus and the language of sacrifice were manipulated to provoke disgust against Muslims and mobilize the aspiring middle classes across caste and class differences in the name of Hindu nationalism Drawing on his intimate knowledge of Gujarat s culture and politics and the close ties he shared with some of the pogrom s sympathizers Ghassem Fachandi offers a strikingly original interpretation of the different ways in which Hindu proponents of ahimsa became complicit in the very violence they claimed to renounce *Journal California. Legislature,1874 Taking Conspiracy Theories Seriously* Matthew R. X. Dentith,2018-11-16 The contributors to this volume argue that whilst there is a commonplace superstition conspiracy theories are examples of bad beliefs and that the kind of people who believe conspiracy theories are typically irrational many conspiracy theories are rational to believe the members of the Dewey Commission were right to say that the Moscow Trials of the 1930s were a sham Woodward and Bernstein were correct to think that Nixon was complicit in the conspiracy to deny any wrongdoing in the Watergate Hotel break in and if we either accept the terrorist events of 9 11 were committed by Al Qaeda or that the Bush Administration was responsible then it seems we are endorsing some theory about a conspiracy to commit an act of terror on American soil As such there is no reason to reject conspiracy theories sui generis This volume challenges the prima facie that conspiracy theories are irrational beliefs arguing that we should treat conspiracy theories and the phenomena of conspiracy theories seriously It presents fresh perspectives from the wider philosophical sociological and psychological community on what is becoming an issue of increasing relevance in our time *Investing For Dummies Three e-book Bundle: Investing For Dummies, Investing in Shares For Dummies & Currency Trading For Dummies* David Stevenson,Paul Mladjenovic,Tony Levene,Kathleen Brooks,Brian Dolan,2013-01-09 Uncover a wealth of investing insider tips and know how with this essential e book bundle If you think investing is only for the super rich think again Whether you want to invest in shares property bonds or other assets Investing For Dummies enables you to make sound and sensible investment choices whatever your budget So if you re looking to get a first foot on the ladder or want to add to a brimming portfolio this book provides you with the expert advice you need to make successful investments Investing in Shares For Dummies gives you the sound advice and proven tactics you need to play the markets and watch your
