Rebellion And Witchcraft Rebellion And Witchcraft:

Rebellion Is as the Sin of Witchcraft... Kevin Frohlich, 2007-02-16 A voyage into the life of one individual whose lust for evil led him down a path of self destruction Rebelling against all authority his future seemed hopeless Dragged down into the abyss of occultism the inevitability of an eternity lost in the flames of hell seemed to be his only destiny Yet not all was lost Read how he was graciously rescued from an unworthy existence into a life of abundant freedom and prosperity

Rebel Witch Kelly-Ann Maddox, 2021-04-13 A truly contemporary take on how to be a witch Rebel Witch is an antidote to the cookie cutter witchcraft agenda that gives a new perspective on the craft asking each reader to create a powerful personalized practice that taps into the current mood of female empowerment and spiritual rebellion Rebel Witch reminds witches of the wondrous opportunity to jump into experimentation and invent something wild and individual a practice shaped by their individual personality and life journey rather than allowing themselves to be spoon fed It challenges witches to design a nurturing practice that is truly theirs There s information about all the elements of the craft from energy raising sacred space creation and receiving signs to casting spells holding rituals scrying potions and much more crucially in each case the topic is discussed from an exciting contemporary perspective So when Kelly Ann talks about sacred texts she stresses that you can choose the texts that resonate with you so why not Alice in Wonderland or Narnia Maybe you want to move away from the traditional Wheel of the Year and create your own divisions Instead of honouring a traditional deity why not construct your own choosing elements from rock stars movie icons or fictional heroes Or embody magical signs in your clothing and jewellery Creativity and experimentation are encouraged with tips to help the reader to be inventive A curious reader with a desire to create an inspired deeply personal path and free themselves from conformity will finish the book ready to take action and make magick happen

From New York Times and USA Today bestseller Lexi Blake comes a new novel in her Thieves world. The world has other plans. War is brewing. Powerful forces are lining up against everyone she loves, and her latest prisoner also happens to be her best friend in the world. Being the sheriff of the supernatural world really sucks. Sometimes Olivia Carey lost everything. Stripped of the magic that gave her life color and substance, she thought it couldn't get worse. Then Kelsey was gone. She found a light in the darkness, a path back to her magic, but claiming it somehow put her on the opposite side of a war with everyone she knew and cared for. She knows that her cause was just, but lately things are confusing. Captured by the rebels she tormented and once called friends, she is forced to question everything she knows. When someone dear to them both is struck down, Kelsey and Liv must join forces again. Only Liv can work the spell to save them, but that spell requires a unique ingredient found only on the Hell plane. Stealing it will mean risking everything, including the growing bond between Liv and her old boyfriend Casey Lane. Hell has some tricks up its sleeve for both Liv and Kelsey. And in the midst of battle, Liv will be forced to decide between saving their world and burning it all down. **Spiritual Rebel**. Sarah A. Bowen, 2019-06-11.
