Working with Adolescents Using Action Techniques

Mario Cossa

Foreword by Zerka Moreno

Rebels With A Cause Working With Adolescents Using Action Techniques

Sue Jennings

Rebels With A Cause Working With Adolescents Using Action Techniques:

Rebels with a Cause Mario Cossa, 2006 Drawing on years of experience working with adolescents Cossa provides a tried and tested model for working with adolescents in groups Utilizing techniques found in psychodrama sociodrama drama therapy and sociometry Cossa offers step by step guidelines on running a group development program and summarizes in easy to understand language

Creative Arts-Based Group Therapy with Adolescents Craig Haen, Nancy Boyd Webb, 2019-01-15 Creative Arts Based Group Therapy with Adolescents provides principles for effective use of different arts based approaches in adolescent group therapy grounding these principles in neuroscience and group process practice based evidence It includes chapters covering each of the main creative arts therapy modalities art therapy bibliotherapy dance movement therapy drama therapy music therapy and poetry expressive writing therapy written by respected contributors who are expert in the application of these modalities in the context of groups These methods are uniquely effective for engaging adolescents and addressing many of the developmental familial and societal problems that they face The text offers theory and guiding principle while also providing a comprehensive resource for group therapists of diverse disciplines who wish to incorporate creative arts based methods into their practice with teens

Creative Collaborations through Inclusive Theatre and Community Based Learning Lisa A. Kramer, Judy Freedman Fask, 2016-12-22 Winner of the 2018 AATE Distinguished Book Award In this book the authors share stories of creative community based collaborations to illustrate how educators can use the arts to expand creative thinking and promote social justice beyond the classroom Using their work in theatre classrooms as a central point examples of innovative inclusive programs designed to inspire learning for people of diverse abilities are presented Through this examination Kramer and Fask reveal the excitement challenges and unexpected surprises that come along with implementing a creative approach to learning

Interactive and Improvisational Drama Adam Blatner, 2007 Are you a drama student looking for other ways to practice in your field Perhaps you teach drama students or as a teacher want to enliven your lessons Are you an actor who wants to diversify your role repertoire Are you a therapist who uses active approaches to promote your clients creative potentials Maybe you want to be involved in a meaningful form of social action This is the book for you Thirty two innovators share their approaches to interactive and improvisational drama applied theatre and performance for education therapy recreation community building and personal empowerment You are holding the only book that covers the full range of dynamic methods that expand the theatre arts into new settings There are approaches that don't require memorizing scripts or mounting expensive productions Dramatic engagement should be recognized as addressing a far broader purpose There are ways that are playful and types of non scripted drama in which the audience become co actors This present book is unique in offering ways for participants to become more spontaneous and involved

Engaging Boys in Treatment Craig Haen, 2011-03-07 Traditional therapy can often be an off putting experience for boys as it is in direct opposition to the ways they generally interact and connect with

others This book explores a variety of creative approaches that professionals can use to enhance the clinical experience and better reach their young male clients Chapters discuss the theory behind and implementation of various creative approaches to therapy with boys such as play therapy including sports movement and gross motor activity animal assisted therapy the use of video games and computers the use of superheroes in role play metaphor and play therapy and art therapy Attention is also given to methods for working with several subgroups of boys that require specialized treatment approaches including gender variant and sexual minority boys and boys with ADHD The first book of its kind mental health professionals will find this a comprehensive and highly valuable text to help them understand help and support boys and their development

Healing Collective Trauma Using Sociodrama and Drama Therapy Eva Leveton, 2010-03-30 Psychodrama and Socio drama are new concepts of therapy to resolve mental health issues in Bangladesh Mental health professionals in Bangladesh who had been able to absorb the technique created by integrating socio psychodrama have been greatly benefited from this intervention in the healing process Mehtab Khanam PhD Professor of Psychology Dhaka University Bangladesh When large groups of people become victims of political upheavals social crises and natural disasters it is often challenging to allocate appropriate resources to deal with the stress that ensues Of the methods employed to address post traumatic stress syndrome and collective trauma sociodrama and drama therapy have had a long standing history of success Group therapists and counselors will find this book to be an indispensable resource when counseling patients from trauma stricken groups This book travels across geographic and cultural boundaries examining group crises and collective trauma in Asia Africa Europe and the U S The contributing authors many of whom are pioneers in the field offer cost effective small and large group approaches for people suffering from PTSD socio political oppression and other social problems The book extends the principles and practices of psychodrama and sociodrama to include music painting dance collage and ritual In essence this innovative book illustrates the proven effectiveness of sociodrama and drama therapy Key topics The difficulties of developing trust in victimized or opposing groups Initiating warm ups and therapeutic strategies with both groups and individuals Narradrama with marginalized groups Using anti oppression models to inform psychodrama Re reconciling culture based conflicts using culture drama *Supporting Children in Public Care in Schools* John Holland, Catherine Randerson, 2005 This is a training package designed for delivery to all professionals supporting young people who are in public care Based on collaborative multi agency and multi professional work with psychologists teachers and social workers the training pack includes photocopiable material and instructions for more than a dozen training sessions **The Art of Grief** J. Earl Rogers, 2011-02-10 Art and other expressive therapies are increasingly used in grief counseling not only among children and adolescents but throughout the developmental spectrum Creative activities are commonly used in group and individual psychotherapy programs but it is only relatively recently that these expressive modalities have been employed within the context of clinical grief work in structured settings These forms of nonverbal communication are often more

natural ways to express thoughts and feelings that are difficult to discuss particularly when it comes to issues surrounding grief and loss Packed with pictures and instructional detail this book includes an eight session curriculum for use with grief support groups as well as alternative modalities of grief art therapy

Dramatherapy with Families, Groups and Individuals Sue Jennings,1992-01-01 This book by one of the leaders in this exciting and relatively new field is the first to present a working framework for dramatherapists social workers family and marital therapists and others conducting groups This framework primarily deals with dramatherapy in the non clinical setting such as family centres residential children s homes social services resources and intermediate treatment centres Separate chapters cover current theory methodology and application in specific client areas including child abuse The author addresses work with children and adults both individually and in groups illustrated by case history examples A final chapter concentrates on the needs of the therapist and shows how dramatherapy can be used as a personal resource

Occupational Therapy in Psychiatry and Mental Health Rosemary Crouch,Vivyan Alers,2014-07-30 Comprehensive and informative the extensively revised fifth edition of Occupational Therapy in Psychiatry and Mental Health is an accessible overview of occupational therapy in psychiatry providing key information on a range of international models of occupational therapy as well as their practical applications The fifth edition includes Case studies throughout to illustrate application of theory to practice Coverage of key concepts and issues in occupational therapy New material on emerging areas of practice Comprehensive information on assessment and treatment for children adolescents and adults covering key mental health conditions Occupational Therapy in Psychiatry and Mental Health is an ideal resource for students in occupational therapy newly qualified and experienced practitioners and other allied health professionals seeking an up to date globally relevant resource on psychiatry and mental health care
