*Your Child's First Pet* Amy Brayfield, 2010-10 Every child wants a pet from the moment they first lay eyes on a furry little kitten or puppy they probably want one for themselves and yet the process of getting and

teaching your child how to raise that pet can be quite complex. However, the experience can be enormously useful in teaching them life skills that will one day help them better understand responsibility and proper care for others. But how do you balance all of that in those first crucial days? This book provides a detailed walk through of how best to acclimate a child to raising a pet and ensuring the pet you get your child is one they can handle and that will thrive in their care. You will learn how to begin the process of selecting the right pet for your family and your child. You will be walked through the detailed process of understanding your child's personality type and coming to terms with their maturity level and the pets that best match that maturity level. You will learn what specific needs the most common pets need including food, water, outside care, and additional medical needs and costs. You will learn the average life spans, common diseases, and other issues that might affect your child's pet and how to handle these situations with your child. Dozens of hours of interviews have been conducted with top pet and child psychology experts to provide detailed information about what children need to understand most before getting their own pet. You will learn how to discuss the importance of responsibility and how to monitor their actions. You will learn how to maintain the pet's health and how to recognize warning signs if your child becomes overwhelmed. For anyone who has a child yearning for a pet that is wondering if they are ready, this book is designed for you. *The Young Adult's Guide Pet Ownership: Everything You Need to Know About Caring For Your First Pet* Hannah Litwiller, 2018-06-29

You've been trying to convince your parents since you were a little kid that you need a pet and you just fell in love with a cute kitten or perfect puppy you saw on the adoption list but you don't even know where to start. This book gives you the information you need about your first furry finned or feathered friend. With so many choices it can be hard to decide what pet is right for you. We'll walk through the variety of traditional and exotic pets and include with each a comprehensive list of considerations including life spans, behaviors, and temperaments, living environments, and common care concerns. With research and statistics, full color photos, case studies from young pet owners like you, and plenty of real world stories, this book will guide you through the process of owning your first pet from the moment you sign the adoption papers to when your new best friend becomes a part of the family forever. **The Joy of Drinking** Barbara Holland, 2008-12-01

With characteristic elegance and delicious wit, Barbara Holland, a national treasure, Philadelphia Inquirer, celebrates the age-old act of drinking in this gimlet-eyed survey of man's relationship with booze since the joyful discovery ten thousand years ago of fermented fruits and grains. In this spirited paean to alcohol, two parts cultural history, one part personal meditation, Holland takes readers on a bacchanalian romp through the Fertile Crescent, the Mermaid Tavern, Plymouth Rock, and Capitol Hill and reveals as Faulkner famously once said, how civilization indeed begins with fermentation. Filled with tasty tidbits about distillers, bootleggers, taverns, hangovers, and Alcoholics Anonymous, *The Joy of Drinking* is a fascinating portrait of the world of pleasures fermented and distilled.
