1 Redemption When Kari Baxter Jacobs finds out that her husband is involved in an adulterous relationship and wants a divorce she decides she will love him and remain faithful to her marriage at all costs This book shows how God can redeem seemingly hopeless relationships and it illustrates one of Gary Smalley's key messages Love is a decision

2 Remember Convinced she could make it on her own Ashley Baxter has kept the most important people in her life at a distance her family the man who loves her and the God she is sure can never forgive her Now just as she begins to open her heart the events of September 11 rip into Ashley's world and she is led to heartbreaking and hope filled decisions that will forever change her life This story vividly illustrates that we must value others more than ourselves and it drives home one of Gary Smalley's key messages Honor one another

3 Return This touching novel reunites readers with the Baxter family and focuses on the only Baxter son Luke He is determined to leave his faith and his past behind and embrace a new free thinking future But what he doesn't realize is that his past holds a secret even he doesn't know When Luke finds out his comfortable new life is turned upside down and he must turn back to his roots

4 Rejoice In the continuing saga of the Baxter family Brooke Baxter has achieved everything this world has to offer a prestigious career a beautiful home and two wonderful children Her recent return to her faith is an encouragement to her family But if she faces tremendous loss can her fledgling faith and her rocky marriage survive

5 Reunion Plans are being made for a family reunion Nearly all the adult Baxter children have a reason to celebrate except one As the preparations get underway a deadly diagnosis sends shockwaves through the Baxter family and threatens to tear them apart Winner of Christian Retailing's Retailer's Choice Award for Best Series

European-Russian Space Cooperation Brian

Harvey, 2021-04-10 The story of European Russian collaboration in space is little known and its importance all too often understated Because France was the principal interlocutor between these nations such cooperation did not receive the attention it deserved in English language literature This book rectifies that history showing how Russia and Europe forged a successful partnership that has continued to the present day Space writer Brian Harvey provides an in depth picture of how this European Russian relationship evolved and what factors scientific political and industrial propelled it over the decades The history begins in the cold war period with the first collaborative ventures between the Soviet Union and European countries primarily France followed later by Germany and other European countries Next the chapters turn to the missions

when European astronauts flew to Russian space stations the Soyuz rocket made a new home in European territory in the South American jungle and science missions were flown to study deep space Their climax is the joint mission to explore Mars called ExoMars which has already sent a mission to Mars Through this close examination of these European Russian efforts readers will appreciate an altogether new perspective on the history of space exploration no longer defined by competition but rather by collaboration and cooperation
