Self Remembering The Path To Non Judgmental Love:

Self Remembering Red Hawk, 2015-05-11 With hundreds of books on the market today urging readers to develop mindfulness pointing to the condition of awakening that most religious philosophical traditions aim toward this new addition by Red Hawk stands head and shoulders above the crowd. It offers detailed practical guidelines that allow one to know with certainty not from imagination, theory, thought, or lying when one is Present and Awake; it details the objective feedback mechanisms available to everyone for attaining this certainty. Am I awake now? How do I know? Sincere readers will find that help in answering these two questions is invaluable and life-changing. Written from the perspective of a practitioner of more than thirty years, one who has studied the significant work of his predecessors, received instruction from two spiritual masters, Osho Rajneesh and Mister Lee Lozowick, and trained rigorously within daily life, this book is the first detailed examination of the Practice of Presence called self remembering in the Gurdjieff tradition. The author's aim is to give general guidelines in this practice, discuss its implications, and then offer specific instruction. *Self Remembering The Path to Non Judgmental Love* is meant to be a companion piece, volume ii to the author's previous book *Self Observation The Awakening of Conscience*, which is fast becoming a classic. Taken together, they present the most detailed examination of the practice available in English. He clearly points out that self remembering is only one half of a foundational spiritual practice called self observation, self remembering. Where other authors' teachers have gone wrong in the past is to take only one half of this practice and consider it the whole, entire, unto itself. Mister Gurdjieff's student A. R. Orage, 1873-1934, made this mistake with self observation; contemporary teacher Robert Burton made a similar error with his book also titled *Self Remembering*. While P. D. Ouspensky speaks of the practice of self remembering in his seminal book *In Search of the Miraculous* and Rodney Collin in *The Theory of Celestial Influence*, there has not been a book-length study on self remembering that examines the practice from the many angles that Red Hawk's does. His chapters cover such diverse yet integrated topics as *The Removal of Self Importance*, *Kaya Sadhana*, or the wisdom of the body, and *Separation Grief*, i.e., addressing the terror of our current situation without denial or dramatics.

RETURN TO THE MOTHER ~ A Lover's Handbook Red Hawk, 2017-08-28 For centuries the *Tao Te Ching*, the book of ancient wisdom by Lao Tsu, has offered insight, inspiration, and consolation to millions of readers. Although numberless translations and commentaries exist around the world, *Return to the Mother A Lover's Handbook* is a groundbreaking effort and a unique contribution to the canon of American poetry. In this volume, internationally known poet Red Hawk offers poetic reflections on these much-loved ancient sutras. This collection of 94 contemporary poems, each 16 lines, brings this perennial wisdom into the 21st century and adds the flavor and fragrance of Zen and Gurdjieff's dharma teachings in a spare poetic marriage with Lao Tsu. Each poem invites the reader to bring this wisdom to his or her daily practice of self observation and self remembering. The poet begs for a return to the true Self, which he symbolizes as the place of the Mother within. Our Mother has no words. She is Silence. She is the present, herenow. To be here now in this body is

to return to Our Mother This volume is a companion and completion to the author's two previous volumes Self Observation The Awakening of Conscience An Owner's Manual and Self Remembering The Path to Non Judgmental Love A Practitioner's Manual RECOMMENDED FOR READERS OF THE AUTHOR'S PREVIOUS BOOKS STUDENTS OF ANY SPIRITUAL OR WORK ON SELF PRACTICE SCHOLARS POETS UNIVERSITY LIBRARIES AND LOVERS OF POETRY *Women Challenge The Lie* Regina Sara Ryan, Shinay Tredeau, 2017-02-02 This book invites women of all ages into a conversation that challenges the pervasive lie of never good enough This common subtext of modern life undermines a woman's appreciation of her own inherent beauty and goodness The authors recommend 8 Radical Moves that women can make alone or ideally in the good company of other women to take on this challenge to deepen this conversation The Moves are radical because they aim directly at the center of a woman's being the inner space of her true nature her basic goodness rather than because they require any extreme actions Nonetheless the conviction that never good enough is a lie requires more than lip service The authors guide readers in identifying the courage strength and love they already possess but habitually deny to embrace and live by this conviction of self respect day to day in mind body and heart They further encourage women to make this stand with and in the presence of other women to increase everybody's likelihood for success Regina Sara Ryan author of numerous books in wellness women's studies and spirituality Wellness Workbook Woman Awake Igniting the Inner Life is an elder in her seventies Shinay Tredeau a yoga teacher lifestyle coach dancer and emerging writer is a millennial in her twenties Together they bring to this warm and personal treatment a synergy of years of experience in contemplative spiritual practice and dynamic body discipline Their message is addressed to their sisters mothers friends and students of all ages to any who suffer from the dis ease of self hatred in some form Each of the 8 Radical Moves provides a slightly different access to clearer self understanding leading to self compassion For some the Move to Inhabit Your Body will be key to claiming or reclaiming a more loving relationship with themselves For others the Move called Learn to Fly will be just the encouragement needed to refine a spiritual search Other topics include the danger of comparisons with other women the need to face dark emotions with compassion the power of friendship in the quest for self acceptance the use of journal writing to articulate developing truth gratitude as a way of life This straightforward and challenging narrative is filled with dozens of personal stories making it ideal for women's groups and book clubs to study and practice **CULTIVATING SPIRITUAL MATURITY** Lalitha Thomas, 2018-05-17 The much needed message of this book is that spiritual practice is not a weekend hobby or an activity for adolescent seekers of any age Instead Lalitha makes a case for mature spirituality which evolves from a serious commitment to the Path and assumes dignity integrity and personal responsibility for one's life choices She proposes a series of questions that matter including What Path Are You Really On What Are You Seriously Committed to What Do You Call Love Are You on Your Deathbed The playing field of spiritual maturity can never be separate from one's everyday life one's work relationships art physical limits suffering aging and dying Lalitha affirms And it will

The Art of Being Better Eugene X. Perticone, 2007 The goal of this book is to stimulate an awareness of a person's Authentic Self For those who would choose to embark or continue on the simple but often difficult path of being better the author presents a remarkably clear and practical guide that can be of immense benefit to anyone who aspires to grow in living life more fully and authentically Exercises and suggestions are provided with special attention directed to a person's inner space where we are encouraged to locate and awaken the neglected or dormant resources present in every human being and apply them in the world Being better refers to improvement but not only at one level It seems reasonable to focus on three the material mental and transpersonal These are presented and discussed sequentially and these concepts should be applied practically in day to day life to learn their meaning and value A series of fifty nine process activities are included exploring empirically and experientially the validity that learning and being better are actions not merely ideas At each step these activities consider refine and validate notions of who and what we are and how to be better By increments we are led to explore and to immerse ourselves fully in life first our own then the lives of others and ultimately the source of life itself
