Self Defense Manual:

DEFENDER AND PROTECTOR Øyvind Johansen, 2025-08-29 Increasing levels of violence threats assaults and robberies mean that everyone must take greater responsibility for their own safety Many people have felt threatened or have actually been subjected to violence or abuse at some point in their lives and some have witnessed abuse against others without feeling capable or confident enough to prevent the situation This self defense book is an excellent tool for learning relatively simple self defense techniques that do not require special physical strength or fitness Anyone regardless of physique or condition can learn effective self defense techniques through this book which includes techniques originating from Jiu Jitsu and Karate The book therefore helps you increase your self confidence and security This self defense book consists of seven chapters each featuring a variety of techniques richly illustrated with large pictures drawings and detailed descriptions of how each technique should be performed The author who has graduated to black belt in both Karate and Jiu Jitsu has many years of experience in self defense and martial arts and provides a thorough introduction to various release techniques and defense against punches kicks and similar attacks Make the decision now and order the book to start learning effective self defense today [The Perfect Defence](#) F. P, 2011-03-01 This self defense book is like no other It gives everyone irrelevant of strength gender training and fitness a fighting chance in any situation where they are targeted by a violent attack Is this really the perfect self defense It is if you ll never use any of the techniques that you will learn because it means that you have learned to avoid danger in the first place Prevention is better than cure and here you will learn mostly how to turn the odds in your favour This self defense system was created considering that the average person has no martial arts background has very little experience of contact sports or very often has never punched kicked or even pushed anybody yet it employs very advanced techniques to either revive your survival instinct or at least show you what to do choosing a technique that should come to you naturally With more than 600 illustrations and photos across 250 pages in full colour this is a truly complete manual covering most if not all scenarios from road rage to sexual molesters from knife attacks to computer viruses All techniques are designed following one strong principle simplicity Simple moves easy to perform plenty of practical advice as well as useful psychological techniques to diffuse potentially dangerous situations All the best and most advanced self defense systems in one always bearing in mind that not everyone can perform a leg split or can throw a punch effectively This is the result of years of teaching advanced practical self defense to all sorts of people but mostly to women Sorry boys hope that didn t hurt See the video here <http://youtu.be/bzytToMGTXc> *Handbook of Self-defense in Pictures and Text* John Martone, 1961 **The Psychic Self-Defense Personal Training Manual** Marcia L. Pickands, 1997-01-01 Simple exercises that not only start readers on a path of psychic self mastery but also demonstrate the power of the mind and the necessity of training it Pickands teaches how to recognize psychic disturbance and the procedures for defense in both everyday and extraordinary situations She stresses ethical considerations and illustrates her points with real life situations

Illustrated Bibliography index *Art of Boxing and Science of Self-defense* William Edwards,1888 **The Self-Defense Handbook** Sam Fury,2020-05-11 Teach Yourself Self Defense Inside this four part self defense training manual you will learn The Principles of Self Defense The information in this section is more valuable from a self defense point of view than any of the individual techniques Basic Self Defense Techniques Simple and effective moves to escape your attacker s and get to safety Advanced Strikes Strategies Use these tactics when the basic self defense techniques are too aggressive such as in a friendly pub or schoolyard brawl Weapon Disarms Advanced lessons on how to disarm an attacker and fight multiple opponents This is the only self defense training manual you need because these are the best street fighting moves around Get it now Discover Real Street Fighting Tactics The best target areas for self defense and which strikes to use How to achieve street fighting knockouts Ground fighting techniques for self defense Easy to apply strategies for attack and defense The correct way to use choke holds and how to escape them The best self defense objects from everyday items Weapon vs weapon street fighting training How to adapt what you learn to any situation Adapted From Proven Street Fighting Styles This no nonsense self defense training manual focuses on the most effective techniques from a wide variety of martial arts including but not limited to Jeet Kune Do Bruce Lee s martial art Vortex Control Self Defense eclectic self defense Kali Escrima Arnis Filipino weapon based martial arts Wing Chun efficient Chinese martial art Krav Maga Israel military Systema Russian military Mixed Martial Arts strikes and ground fighting and more Limited Time Only Get your copy of The Self Defense Handbook today and you will also receive Free SF Nonfiction Books new releases Exclusive discount offers Downloadable sample chapters Bonus content and more Teach yourself self defense that works because this is one of the best street fighting books around Get it now *The Self-defence Manual* ,2004 All aspects of street self defence are covered in this manual including stance guard and movement striking and grappling escaping grabs and chokes distractions and diversions defending yourself on the ground improvising weapons and weapon defences and fighting hard vs fighting smart

The Self-defence Manual David Birdsall,Martin Dougherty,2003 This is not a book about fighting In fact this book is more about avoiding violence than using it All aspects of street self defence are covered including stance guard and movement striking and grappling escaping grabs and chokes distractions and diversions defending yourself on the ground improvising weapons and weapon defences fighting hard vs fighting smart **Self Defence For The Individual** Billy C Sandow,2020-12-22 Original reissue of this manual of close combat of 1919 Excerpt from the book It has been necessary to revise my book on In fighting for the U S Army which was published as a text on the subject at Camp Dix N J in order to have it conform to the needs of the civilian as a means of self defense against the thug or thief That a practical method of self defense for civilians serves a need is a well established fact And that the system best adapted to one s need should be other than a knowledge of the so called manly art of self defense or boxing is one of the lessons learned from this great war
