The Prodigal Prophet Timothy Keller, 2018-10-02 An angry prophet A feared and loathsome enemy A devastating storm And the surprising message of a merciful God to his people The story of Jonah is one of the most well known parables in the Bible It is also the most misunderstood Many people even those who are nonreligious are familiar with Jonah A rebellious prophet who defies God and is swallowed by a whale But there's much more to Jonah's story than most of us realize In *The Prodigal Prophet* pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah Keller makes the case that Jonah was one of the worst prophets in the entire Bible And yet there are unmistakably clear connections between Jonah the prodigal son and Jesus Jesus in fact saw himself in Jonah How could one of the most defiant and disobedient prophets in the Bible be compared to Jesus Jonah's journey also doesn't end when he is freed from the belly of the fish There is an entire second half to his story but it is left unresolved within the text of the Bible Why does the book of Jonah end on what is essentially a cliffhanger In these pages Timothy Keller provides an answer to the extraordinary conclusion of this biblical parable and shares the powerful Christian message at the heart of Jonah's story

Morris,2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy **In the Mirror of the Prodigal Son**

Pietro Delcorno,2017-09-25 In the Mirror of the Prodigal Son provides a comprehensive history of the function of the parable of the prodigal son in shaping religious identity in medieval and Reformation Europe By investigating a wealth of primary sources the book reveals the interaction between commentaries sermons religious plays and images as a decisive factor in the increasing popularity of the prodigal son Pietro Delcorno highlights the ingenious and multifaceted uses of the parable within pastoral activities and shows the pervasive presence of the Bible in medieval communication The prodigal son narrative became the ideal story to convey a discourse about sin and penance grace and salvation In this way the parable was established as the paradigmatic biography of any believer **PRODIGAL PARISH: Revised Edition** Leo F.

White,2020-11-17 Father Paul Wesley's journey through life had proven to be a turbulent one It began with his ignoble conception and continued through a tempestuous childhood and early days as an adult as he rebelled in a truculent manner seeking to overcome the stigma his mother's unsavory lifestyle and the emotional misery it brought with it Then after causing

the death of his best friend Paul Wesley had an epiphany His eyes were opened and his life changed Now as a Catholic priest he felt free of the emotional duress that threatened his existence He was ready to atone for the raucous deportment of his youth through the ministry of the Church and leave his less than desirable past where it belonged in the past But unbeknownst to him there were challenges still to be met Amends that needed to be made Decisions to be rendered that would define him as not only a priest but as a man The archdiocese was in the process of downsizing There were a glut of churches and some had to go The architect of this downsizing scheme was the cardinal s personal secretary Father John Moore He had a greedy plan in progress to fatten his family coffers But his plan hit a snag when his next prized takeover was the Church of St Theresa a church that had been under the spiritual guidance of Father Ronald Coniglio the cardinal s seminarian roommate and close friend who has fallen on harsh times emotionally and physically It is onto this scene that Father Paul Wesley is asked to be the answer to the cardinal s guilt ridden conscience for his negligence regarding the downward plight of an old friend In the meantime the cardinal s secretary has a totally different objective for Father Wesley He is to be the designated sheep in wolf s clothing and oversee the demise of the poverty ridden parish What neither of the prelates in the archdiocesan hierarchy counted on was Father Wesley being his own man He makes the decision to return to the church of his youth but not as the cardinal s answer to ease his guilty conscience or Father Moore s executioner of a ruthless plan to lull the parishioners of St Theresa s into a false sense of security It is Father Wesley s intention to somehow save the place Once back in the old neighborhood he is forced to tackle the parishioners problems of infidelity an unwanted pregnancy intimidation pedophilia bigotry poverty marital discord and an attempted rape that will force him to revisit a past he wants to forget His mettle will be tested and his resolve challenged Will he meet the daunting task he forced on himself That question will be determined by the reader as materialistic matter crumbles but spirituality reigns on

The Prodigal Republican Marc T. Little, 2012-10 The Prodigal Republican chronicles the historic relationship between blacks Democrats and Republicans It is based on three topics voting your values family leadership and Christian faith all geared toward strengthening the American family generally and the black family in particular The Prodigal Republican encourages everyone to return to core values by being self reliant and realizing that government aid is never a pathway to prosperity by promoting the sanctity of human life and by favoring traditional marriage to perpetuate humanity The Prodigal Republican is a guide to strengthen the family through a common sense approach by avoiding teen pregnancy before marriage graduating from high school and university or trade school considering marriage and having a work ethic The Prodigal Republican makes a case for Christians to actively engage in the political process Christians are called to engage in the political process in order to elect godly leaders and to consequently impact the community with their Judeo Christian values

A Prodigal Saint Nadieszda Kizenko, 2000 Rarely are we privileged to see the making of a saint but it is just what this book gives us for John of Kronstadt 1829 1908 a major figure in the religious life of Late Imperial Russia So popular was Father John during his years

of ministry that Kronstadt became a pilgrimage site replete with peddlers selling souvenir photographs postcards and commemorative mugs *A Prodigal Saint* follows Father John's development from activist priest to venerated spiritual leader and after his death to his elevation to sainthood in 1990 We see both the inner life of an aspiring saint and the symbiotic relationship between a living icon and his followers Father John represented a fundamentally new type of religious behavior and a new standard of sanctity in Late Imperial Russia He ministered to the poor of Kronstadt creating shelters and employment programs and participating in the temperance movement In the process he acquired a reputation for prayerful intercession that soon spread beyond Kronstadt When he was asked to minister to the dying Alexander III in 1894 his fame became international as he attracted correspondents from the United States and Europe In his later years he allied himself increasingly with the radical right which has had momentous implications for the Russian Orthodox Church in the twentieth century Kizenko draws upon rich and virtually unknown documents from the Russian archives including Father John's diaries thousands of letters he received from his followers and the police reports on the sect that formed around him John's diaries are a truly unique source for they document the making of a modern saint his struggles with doubt his ascetic practices and his growing realization that others saw him as a saint Kizenko explores the extent to which Father John collaborated in the formation of his own cult and how he himself was influenced by the expectations and desires of his audience In the final chapter she follows Father John's posthumous reputation and the struggles over how to use that reputation in Russia the Soviet Union and throughout the world *A Prodigal Saint* is published in collaboration with the Harriman Institute at Columbia University as part of its Studies of the Harriman Institute series It is a pioneering study that contributes to our understanding of lived religion saints cults and modern Russian history
