Professional Applications of Animal Assisted Interventions Melissa Y. Winkle, 2013-07-24 The human animal bond has therapeutic value regardless of the nature of the interaction Recently the work has begun to diverge into two distinct directions First many organizations continue to support volunteer visiting teams in a variety of community settings however a secondary breed of programs are emerging as more healthcare social service and educational practitioners carry the responsibility to ensure professional level standards of practice that blend seamlessly with each discipline's practice framework The patient/client and student goals are formal and practiced in a discipline specific modality *Dogwood Dog* is not meant to be a cookie cutter book for activities rather it is meant to educate professionals about how to think about intervention or educational plans activity and biomechanical analysis modifications and safety for human and dog This book caters to those who use dogs in discipline specific sessions *DOGWOOD DOGA* is the first book in a series that offers an occupational therapist's perspective on having a canine co-therapist or co-educator work with clients/patients or students to reach functional goals including health maintenance neuromusculoskeletal and motor skills sensory and cognitive functions communication and interaction skills and more The book includes pictured demonstrations instructions activity analysis and

modification ideas Each activity in DOGWOOD DOGA also offers information about incorporating the dog and intermediate dog training requirements It is recommended that users have experience with biomechanics yoga and have dogs with solid obedience and interaction skills Pediatric Skills for Occupational Therapy Assistants – E-Book Jean W. Solomon, Jane Clifford O'Brien, 2015-09-14 NEW Content on emerging areas of practice such as community systems broadens readers awareness of where interventions for children can take place NEW Content on physical agent modalities PAMS outlines the theory and application of PAMS as used by OTAs with pediatric clients NEW Pediatric MOHO assessments that are now available in the chapter on Model of Human Occupation MOHO assessments describe how these assessments can help with intervention NEW Content on childhood obesity documentation neurodevelopmental treatment and concepts of elongation have been added to keep readers abreast of the latest trends and problems **Professional Applications of Animal Assisted Interventions** Melissa Y. Winkle, Melissa Y Winkle Otr/L, 2013-11-21 Professional Applications of Animal Assisted Interventions Eva s Favorites is a collection of animal assisted intervention activities used in occupational therapy with Eva Many of these activities were previously published in Dogwood Doga Blue Dog Book or Gray Dog Book This collection was pulled together to celebrate Eva s life and her legacy While it is a tribute to her it is filled with animal assisted therapy and animal assisted education activities that catered to Eva whose abilities outweighed her diagnoses mitochondrial metabolism disorder quadriplegic cerebral palsy seizures closed dislocations of the hip cortical visual impairment strabismus spasticity feeding tubes and communication disorder Eva appeared to have many challenges but this book illustrates a glimpse into her occupational therapy sessions which were based on the human animal bond the key motivating factor in her sessions which resulted in measurable functional progress and quality of life This book contains activities that are useful for just about anyone in the interdisciplinary team who works with a person with similar abilities Readers are guided through activities step by step to identify therapeutic value supplies needed precautions and modifications to make activities more or less difficult In addition words of wisdom from the dog s point of view are provided so that the dog receives prerequisite training and introductions to environments people and activities The baseline information on ethics standards of practice and screening people and dogs for participation is included This title Eva s Favorites and 100% of the proceeds have been gifted to the Little Mustard Seed Trust Fund so we celebrate Eva s life with a sample of letters from some of her students friends and family *Forest and Stream* ,1899 *Research Publications and Professional Activities* Pennsylvania State University, 1980
