

The background of the cover is a detailed architectural drawing of a modern building. The building's facade is rendered in a monochromatic blue-green color with a rough, stone-like texture. It features complex, angular forms, including cantilevered upper floors and a prominent glass-enclosed section. The building is set against a light-colored background that resembles a topographical map or a technical drawing of the surrounding landscape. The overall aesthetic is technical and artistic, reflecting the book's focus on architectural working drawings.
