Prometheus Bound Greek Tragedy In New Translations

Yopie Prins

Prometheus Bound Greek Tragedy In New Translations:

Prometheus Bound Aeschylus, 1990-02-01 For readers accustomed to the relatively undramatic standard translations of Prometheus Bound this version by James Scully a poet and winner of the Lamont Poetry Prize and C John Herington one of the world's foremost Aeschylean scholars will come as a revelation Scully and Herington recapture the play's true power drama and relevance to modern times Aeschylus originally wrote Prometheus Bound as part of a tragic trilogy and this translation is unique in including the extant fragments of the companion plays *Translations of Greek Tragedy in the Work of Ezra Pound* Peter Liebrechts, 2019-10-03 Turning the tables on the misconception that Ezra Pound knew little Greek this volume looks at his work translating Greek tragedy and considers how influential this was for his later writing Pound's work as a translator has had an enormous impact on the theory and practice of translation and continues to be a source of heated debate While scholars have assessed his translations from Chinese Latin and even Provençal his work on Greek tragedy remains understudied Pound's versions of Greek tragedy of Aeschylus Agamemnon and of Sophocles Elektra and Women of Trachis have received scant attention as it has been commonly assumed that Pound knew little of the language Liebrechts shows that the poet's knowledge of Greek was much more comprehensive than is generally assumed and that his renderings were based on a careful reading of the source texts He identifies the works Pound used as the basis for his translations and contextualises his versions with regard to his biography and output particularly The Cantos A wealth of understudied source material is analysed such as Pound's personal annotations in his Loeb edition of Sophocles his unpublished correspondence with classical scholars such as F R Earp and Rudd Fleming as well as manuscript versions and other as yet unpublished drafts and texts which illuminate his working methodology *Prometheus Bound and Other Plays* Aeschylus, 2003-08-28 Aeschylus 525-456 BC brought a new grandeur and epic sweep to the drama of classical Athens raising it to the status of high art In Prometheus Bound the defiant Titan Prometheus is brutally punished by Zeus for daring to improve the state of wretchedness and servitude in which mankind is kept The Suppliants tells the story of the fifty daughters of Danaus who must flee to escape enforced marriages while Seven Against Thebes shows the inexorable downfall of the last members of the cursed family of Oedipus And The Persians the only Greek tragedy to deal with events from recent Athenian history depicts the aftermath of the defeat of Persia in the battle of Salamis with a sympathetic portrayal of its disgraced King Xerxes Philip Vellacott's evocative translation is accompanied by an introduction with individual discussions of the plays and their sources in history and mythology Reimagining Greek Tragedy on the American Stage Helene P. Foley, 2014-06-26 This book explores the emergence of Greek tragedy on the American stage from the nineteenth century to the present Despite the gap separating the world of classical Greece from our own Greek tragedy has provided a fertile source for some of the most innovative American theater Helene P Foley shows how plays like Oedipus Rex and Medea have resonated deeply with contemporary concerns and controversies over war slavery race the status of women religion identity and immigration

Although Greek tragedy was often initially embraced for its melodramatic possibilities by the twentieth century it became a vehicle not only for major developments in the history of American theater and dance but also for exploring critical tensions in American cultural and political life Drawing on a wide range of sources archival video interviews and reviews *Reimagining Greek Tragedy on the American Stage* provides the most comprehensive treatment of the subject available **The Plays of Aeschylus** A. F. Garvie, 2016-10-06 This excellent introduction to the six extant plays of Aeschylus is fully revised and updated with additional further reading ideal for the student unfamiliar with these earliest of Greek tragedies Aeschylus is the oldest of the three great Greek tragedians and lived from 525/524 to 465/455 He took part in the battle of Marathon in 490 and probably also in the battle of Salamis in 480 the subject of his *Persians* Working in chronological order of their first production this volume explores *Persians* the earliest Greek tragedy that has come down to us *Seven against Thebes* *Suppliants* and the three plays of the *Oresteia* trilogy *Agamemnon* *Libation Bearers* and *Eumenides* The book also contains an essay on *Prometheus Bound* now generally thought not to be by Aeschylus but accepted as his in antiquity The volume is a companion to *The Plays of Euripides* by James Morwood and *The Plays of Sophocles* by Alex Garvie also available in second editions from Bloomsbury A further essential guide to the themes and context of ancient Greek tragedy may be found in Laura Swift's new introductory volume *Greek Tragedy* *The Cambridge Companion to Greek Tragedy* P. E. Easterling, 1997-10-02 As a creative medium ancient Greek tragedy has had an extraordinarily wide influence many of the surviving plays are still part of the theatrical repertoire and texts like *Agamemnon* *Antigone* and *Medea* have had a profound effect on Western culture This Companion is not a conventional introductory textbook but an attempt by seven distinguished scholars to present the familiar corpus in the context of modern reading criticism and performance of Greek tragedy There are three main emphases on tragedy as an institution in the civic life of ancient Athens on a range of different critical interpretations arising from fresh readings of the texts and on changing patterns of reception adaptation and performance from antiquity to the present Each chapter can be read independently but each is linked with the others and most examples are drawn from the same selection of plays Ladies' Greek Yopie Prins, 2017 In *Ladies' Greek* Yopie Prins illuminates a culture of female classical literacy that emerged in the second half of the nineteenth century during the formation of women's colleges on both sides of the Atlantic Why did Victorian women of letters desire to learn ancient Greek a dead language written in a strange alphabet and no longer spoken In the words of Elizabeth Barrett Browning they wrote some Greek upon the margin lady's Greek without the accents Yet in the margins of classical scholarship they discovered other ways of knowing and not knowing Greek Mediating between professional philology and the popularization of classics these passionate amateurs became an important medium for classical transmission Combining archival research on the entry of women into Greek studies in Victorian England and America with a literary interest in their translations of Greek tragedy Prins demonstrates how women turned to this genre to perform a passion for ancient Greek full of eros and pathos She

focuses on five tragedies Agamemnon Prometheus Bound Electra Hippolytus and The Bacchae to analyze a wide range of translational practices by women and to explore the ongoing legacy of Ladies Greek Key figures in this story include Barrett Browning and Virginia Woolf Janet Case and Jane Harrison Edith Hamilton and Eva Palmer and A Mary F Robinson and H D The book also features numerous illustrations including photographs of early performances of Greek tragedy at women s colleges The first comparative study of Anglo American Hellenism Ladies Greek opens up new perspectives in transatlantic Victorian studies and the study of classical reception translation and gender

A New Companion to Greek Tragedy (Routledge Revivals) Andrew Brown, 2014-08-07 That the works of the ancient tragedians still have an immediate and profound appeal surely needs no demonstration yet the modern reader continually stumbles across concepts which are difficult to interpret or relate to moral pollution the authority of oracles classical ideas of geography as well as the names of unfamiliar legendary and mythological figures A New Companion to Greek Tragedy provides a useful reference tool for the Greekless reader arranged on a strictly encyclopaedic pattern with headings for all proper names occurring in the twelve most frequently read tragedies it contains brief but adequately detailed essays on moral religious and philosophical terms as well as mythical genealogies where important There are in addition entries on Greek theatre technical terms and on other writers from Aristotle to Freud whilst the essay by P E Easterling traces some connections between the ideas found in the tragedians and earlier Greek thought

Greek Tragedy and the Middle East Pauline Donizeau, Yassaman Khajehi, Daniela Potenza, 2024-03-07 Employing the idea of interculturality to study Middle Eastern adaptations of Greek tragedy from the turn of 20th century until the present day this book first explores the earlier phase of the development of Greek classical reception in Middle Eastern theatre It then moves to focus on modern Arabic Persian and Turkish adaptations of Greek tragedy both in the early post colonial and contemporary periods in the MENA and in Europe Case by case this book examines how the classical sources are reworked and adapted as well as how they engage with interculturality hybridisation and the circulation of aesthetics and models At the same time it explores the implications and consequences of expressing socio political concerns through classical Greek sources While Muslim thinkers and translators introduced Greek philosophy in particular Aristotle s Poetics to the West in the Middle Ages adaptations of Greek tragedies only appeared in the MENA region at the very beginning of the 20th century For this reason the development of Greek tragedy in the Middle East is difficult to disentangle from colonialism and cultural imperialism Encompassing language differences and offering for the first time a broad approach on the Middle Eastern reception of Greek tragedy this book produces a renewed focus on a fascinating aspect of the classical tradition

The Reception of Aeschylus' Plays through Shifting Models and Frontiers , 2016-11-21 The Reception of Aeschylus Plays through Shifting Models and Frontiers addresses the need for an integrated approach to the study and staging of Aeschylus plays It offers an invigorating discussion about the transmission and reception of his plays and explores the interrelated tasks of editing translating adapting and remaking them for the page

and the stage The volume seeks to reshape current debates about the place of his tragedies in the curriculum and the repertory in a scholarly manner that is accessible and innovative Each chapter makes a significant and original contribution to its selected topic but the collective strength of the volume rests on its simultaneous appeal to readers in theatre studies classical studies performance studies comparative studies translation studies adaptation studies and naturally reception studies

Prometheus Bound Greek Tragedy In New Translations Introduction

In today's digital age, the availability of Prometheus Bound Greek Tragedy In New Translations books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prometheus Bound Greek Tragedy In New Translations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prometheus Bound Greek Tragedy In New Translations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prometheus Bound Greek Tragedy In New Translations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prometheus Bound Greek Tragedy In New Translations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prometheus Bound Greek Tragedy In New Translations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prometheus Bound Greek Tragedy In New Translations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prometheus Bound Greek Tragedy In New Translations books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Prometheus Bound Greek Tragedy In New Translations books and manuals for download and embark on your journey of knowledge?

FAQs About Prometheus Bound Greek Tragedy In New Translations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prometheus Bound Greek Tragedy In New Translations is one of the best book in our library for free trial. We provide copy of Prometheus Bound Greek Tragedy In New Translations in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prometheus Bound Greek Tragedy In New Translations. Where to download Prometheus Bound Greek Tragedy In New Translations online for free? Are you looking for Prometheus Bound Greek Tragedy In New Translations PDF? This is definitely going to save you time and cash in something you should think about.
