Wonder in South Asia Tulasi Srinivas,2023-11-01 The experience of wonder encompassing awe bewilderment curiosity excitement fear dread mystery perplexity reverence surprise and supplication and the ineffable quality of that which is wondrous have been entwined in religion and human experience Yet strangely wonder in non western societies including South Asia has rarely been acknowledged or understood This groundbreaking volume brings together historians and ethnographers of South Asia including leading and emerging scholars to consider the place and meaning of wonder in such varied joyful tense and creative sites and moments as Sufi music performances in Gujarat Tamil graveyard processions trans women s charitable practices Kipling s Orientalist tales village Kuchipudi dance performances and Rajasthani healing shrines Offering a synthetic and scholarly reading of wonder that speaks to the political aesthetic and ethical worlds of South Asia these essays redefine the nature and meaning of wonder and its worlds Taken together they provide an invaluable research tool for those in the fields of Asian religion religion in context and South Asian religions in particular **Calm the H*ck Down** Melanie Dale,2020-12-08 From author and speaker Melanie Dale comes a laugh out loud hilarious parenting book that teaches you how to dial back the stress of raising children with the simple premise that we all just need to lighten up a little bit Most of us thought we d be amazing parents and then we had kids Now we spend what little free time we have comparing ourselves to other parents comparing our kids to other kids and panicking that everyone else is nailing it except us Between constant social media postings to conflicting advice found in parenting books we often have no choice but to freak out But there is another way We all just need to calm the h ck down Melanie Dale a special needs parent adoptive parent in vitro

parent and reluctant cheer mom believes we are all putting too much pressure on ourselves and our kids to be perfect. Instead she argues we need to take a step back so we can actually enjoy this journey called parenting. *Calm the H ck Down* is filled with stories from Melanie's own life as well as real life research for learning how to lighten up about every aspect of parenting from poop diapers and germs to family vacations and adolescent angst. She also discusses the pressure to knock it all out of the Pinterest park, the challenge of instilling some kind of faith into your kids and worrying about their future while still trying to live in the present. Infused with quirky humor, profound insight and accessible advice, *Calm the H ck Down* gives you the permission to finally relax and enjoy this ridiculous thing we do called parenting. *Spectrum Reading, Grade 7*, 2025-05-13. Middle school books for 7th grade readers. Prompt students to become the sophisticated readers, writers and thinkers they need to be to achieve higher learning. The authors explore the important relationship between text, learner and learning. With an array of methods and assignments to establish critical literacy in a discussion based and reflective classroom, you'll encourage students to find meaning and cultivate thinking from even the most challenging expository texts.

Reading the Comments Joseph Michael Reagle, 2015-04-24. What we can learn about human nature from the informative, manipulative, confusing and amusing messages at the bottom of the web. Online comment can be informative or misleading, entertaining or maddening. Haters and manipulators often seem to monopolize the conversation. Some comments are off topic or even topic less. In this book, Joseph Reagle urges us to read the comments. Conversations on the bottom half of the Internet, he argues, can tell us much about human nature and social behavior. Reagle visits communities of Amazon reviewers, fan

fiction authors online learners scammers freethinkers and mean kids He shows how comment can inform us through reviews improve us through feedback manipulate us through fakery alienate us through hate shape us through social comparison and perplex us He finds pre Internet historical antecedents of online comment in Michelin stars professional criticism and the wisdom of crowds He discusses the techniques of online fakery distinguishing makers fakers and takers describes the emotional work of receiving and giving feedback and examines the culture of trolls and haters bullying and misogyny He considers the way comment a nonstop stream of social quantification and ranking affects our self esteem and well being And he examines how comment is puzzling short and asynchronous these messages can be slap dash confusing amusing revealing and weird shedding context in their passage through the Internet prompting readers to comment in turn WTF *Renegade Leadership* Brad R. Gustafson, 2016-08-08 Get ready to be a renegade with this how to leadership guide We re all looking for the next best tech tool but why don t we have the same progressive appetite for pedagogy that we have for technology Renegade leadership may be the answer we need Merging best practice with innovation renegade leadership is student centered intertwining equity culture and technology Using research vignettes and renegade profiles this book challenges you to lead in the digital age by Applying transformational tenets of connected pedagogy Increasing your leadership in curriculum cultural proficiency and school improvement Leading staff meetings planning professional development and improving student learning Don t miss the free podcasts flipped book study and more on the Renegade Leadership website
