Reading Matthew With Monks Liturgical Interpretation In Anglo Saxon England:

Reading Matthew with Monks Derek A. Olsen, 2015 In *Reading Matthew with Monks* Derek Olsen seeks to evaluate whether early medieval monastic biblical interpreters can serve as effective conversation partners for modern readers who are committed to broadening their reading of Scripture Olsen puts the interpretations of four modern Scripture commentaries in conversation with Irfan of Eynsham's medieval monastic interpretations of four texts from the Gospel of Matthew In so doing he clarifies early medieval interpretive contexts and assesses their usefulness in modern scholarship As outsiders in modern critical debates Irfan and his sources may provide alternative approaches or perspectives that open interpretive possibilities where modern interpreters are locked in disagreement Early medieval monastic interpreters can serve as excellent guides for understanding the potential for moral spiritual or formative meanings of a biblical text They can help modern readers who are attempting to conform their lives to the biblical text

The Beatitudes through the Ages Rebekah Eklund, 2021-04-27 The Beatitudes are among the most influential teachings in human history For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes wisdom But what does it mean to be hungry or meek or pure in heart Is poverty a material condition or a spiritual one And what does being blessed entail In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts From Matthew and Luke in the first century to Martin Luther King Jr and Billy Graham in the twentieth Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are illuminating what they might mean for us today

Matthew Through the Centuries Ian Boxall, 2018-11-26 The reception of the Gospel of Matthew over two millennia commentary and interpretation *Matthew Through the Centuries* offers an overview of the reception history of one of the most prominent gospels in Christian worship Examining the reception of Matthew from the perspectives of a wide range of interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley this insightful commentary explains the major trends in the reception of Matthew in various ecclesial historical and cultural contexts Focusing on characteristically Matthean features detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel Broad exploration of areas such as liturgy literature drama film hymnody political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo Christian civilization Known as the Church's Gospel Matthew's text has been the subject of apologetic and theological controversy for hundreds of years It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship Matthew has influenced divergent political spiritual and cultural figures such as Francis of Assisi John Ruskin Leo Tolstoy Dietrich Bonhoeffer and Mahatma Gandhi Matthew's interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes communal prayer and liturgical

prescriptions for the Eucharist and baptism A significant addition to the acclaimed Blackwell Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture **Learning as Shared Practice in Monastic Communities, 1070-1180** Micol Long, 2021-10-11 In this study Micol Long looks at Latin letters written in Western Europe between 1070 and 1180 to reconstruct how monks and nuns learned from each other in a continuous informal and reciprocal way during their daily communal life The book challenges the common understanding of education as the transmission of knowledge via a hierarchical master disciple learning model and shows how knowledge was also shared exchanged jointly processed and developed Long presents a new and more complicated picture of reciprocal knowledge exchanges which could be horizontal and bottom up as well as vertical and where the same individuals could assume different educational roles depending on the specific circumstances and on the learning contents See inside the book

Beyond Mary or Martha Jennifer S. Wyant, 2019-11-08 Explore a tale of two sisters Beyond Mary or Martha Reclaiming Ancient Models of Discipleship dives into the complicated reception history of Mary and Martha of Bethany who have been at the center of many debates for almost two thousand years Jennifer S Wyant begins her study with a close reading of the sisters first encounter with Jesus in Luke 10 38 42 then moves on to patristic medieval and modern interpretations of that narrative Wyant tracks how Mary and Martha both became paradigms of discipleship revealing the inherent tension within Christianity between contemplative practices and acts of service By placing ancient debates alongside more modern ones she argues that contrary to discussions today within academic and religious circles gender is not the most important aspect of their story Features A thorough examination of the textual variants in the passage to show how variants affected interpretation throughout history Interpretations from medieval women and their contributions to interpretation of Mary and Martha A visual exegesis of the art representing the passage throughout history *Liturgy and Sacrament, Mystagogy and Martyrdom* Jeffrey L. Morrow, 2020-10-13 For far too long the Bible has been studied as just one among many historical and cultural documents from ancient history That it is a foundational text for Western civilization is clear What is too often forgotten or ignored in academic discussions however is that the Bible has also inspired the lives of countless saints throughout history men and women who sought to love God and love neighbor to the point of offering heroic sacrifices sometimes giving up their very lives Much of biblical scholarship over the past two centuries however has reduced the Bible to a dead historical document with little to no relevance for today beyond intellectual curiosity This in part lies at the root of the tragic separation of theology from biblical studies That theology and biblical exegesis are at an impasse has become a commonplace in academic discourse *Liturgy and Sacrament Mystagogy and Martyrdom* is an attempt to bridge the gap between theology and exegesis It seeks to develop a theological interpretation of Scripture relying upon the best of traditional Christian exegesis and modern biblical scholarship so that the Bible can serve once again as the wellspring of

Christian life A Companion to Popular Apocalypticism in the High and Late Middle Ages Sally Mayall Brasher, 2025-04-07

The many crises of the high and late Middle Ages in Europe saw a resurgence of interest in apocalypticism and millenarianism Pious Christians who feared the coming judgement day but found the established Church lacking in an adequate response sought out leadership and direction from thinkers who appealed to their lived experience In this volume we examine how this eschatology was interpreted expressed and disseminated in popular culture by a variety of lay religious movements and individuals such as the Order of Apostles Bianchi Guglielmites Wycliffites and Hussites among others The authors here focus on how this creative response to apocalypticism reflected the changing social and political culture of medieval Europeans and is intended to illuminate the active exchange of popular and elite religious culture in the era Contributors include Sally M Brasher Steven A Hackbarth Eleanor Janega Stephen Lahey Richard Landes Alexandra R A Lee Lucie Mazalov Jerry B Pierce and Sergio Sancho Fibla

The Song of Songs in the Early Middle Ages Hannah W. Matis, 2019-01-28 In *The Song of Songs in the Early Middle Ages* Hannah W Matis examines how the Song of Songs the collection of Hebrew love poetry was understood in the Latin West as an allegory of Christ and the church This reading of the biblical text was passed down via the patristic tradition established by the Venerable Bede and promoted by the chief architects of the Carolingian reform Throughout the ninth century the Song of Songs became a text that Carolingian churchmen used to think about the nature of Christ and to conceptualize their own roles and duties within the church This study examines the many different ways that the Song of Songs was read within its early medieval historical context

The Massacre of the Innocents Warren Carter, 2023-01-30 In *The Massacre of the Innocents* Studies in the Cultural Afterlife of a Gospel Scene Warren Carter examines some fifty instances of the interpretation of the Matthean Massacre of the Innocents Matt 2 16 18 He emphasizes the agency of interpreters who in their particular contexts and media think with the shocking Matthean scene to address the often tragic circumstances of their audiences He argues throughout that the structure of the Gospel scene facilitates this thinking with The scene is structured as a triad of power relations with a tyrant Herod victims infants and parents and violent means of tyranny the massacre Interpreters use this triad of power relations to identify tyrant s victims and means of tyranny in their own situations Carter illustrates the use of this triad of power relations across two millennia in numerous socio political contexts and media as diverse as sermons images poems and hymns dramas and festivals films novels Christmas carols and Children s Bibles

Modern Biblical Criticism as a Tool of Statecraft (1700-1900) Scott Hahn, Jeffrey L. Morrow, 2020-04-27 Modern biblical scholarship is often presented as analogous to the hard and natural sciences its histories present the developmental stages as quasi scientific discoveries That image of Bible scholars as neutral scientists in pursuit of truth has persisted for too long *Modern Biblical Criticism as a Tool of Statecraft 1700 1900* by Scott W Hahn and Jeffrey L Morrow examines the lesser known history of the development of modern biblical scholarship in the eighteenth and nineteenth centuries This volume seeks partially to fulfill Pope Benedict XVI s request for a thorough

critique of modern biblical criticism by exploring the eighteenth and nineteenth century roots of modern biblical scholarship situating those scholarly developments in their historical philosophical theological and political contexts Picking up where Scott W Hahn and Benjamin Wiker s Politicizing the Bible The Roots of Historical Criticism and the Secularization of Scripture 1300 1700 left off Hahn and Morrow show how biblical scholarship continued along a secularizing trajectory as it found a home in the newly developing Enlightenment universities where it received government funding Modern Biblical Criticism as a Tool of Statecraft 1700 1900 makes clear why the discipline of modern biblical studies is often so hostile to religious and faith commitments today
