Reading Your Male Mary Farrar, 2012-12-10 There is a growing crisis among our men and boys in the area of sexual temptation and sin pornography use is skyrocketing and increasing numbers of men find themselves entangled in a web they can't seem to escape Yet many men feel greatly misunderstood by their women while just as many women feel mystified and powerless to help their men Mary Farrar Reading Your Male Now author Mary Farrar confirms that every woman whether a wife mother or single woman can play a powerful and pivotal role in the male sexual struggle by entering into her man's world and seeing through his eyes thinking with his mind feeling with his emotions connecting with his soul Reading Your Male de mystifies inner male sexuality exposes the enemy's tactics in taking down our men and equips women to use their innate gifts in becoming a man's greatest ally in the fight for victory Using biblical insight and up to date research Farrar also tackles some of the most elusive questions women are asking today such as Why do men struggle so deeply in the area of sexuality What are we to think about pornography and masturbation Why does this generation of men appear to be so reticent What does a man crave most from a woman What is a woman's most powerful gift to her man How can a woman draw out an emotionally unavailable man What is a healthy view of strong femininity and beauty **Unfaithful** Gary

Shriver, Mona Shriver, 2009-11-01 Statistics show that one in every four marriages is impacted by infidelity So the odds are pretty good that you or someone you know has experienced the searing pain of marital infidelity But adultery is not an automatic death sentence for your marriage You can trust again You can restore intimacy You can have a relationship that you will both cherish for a lifetime Ten years ago Gary and Mona Shriver experienced the devastation caused by adultery and in the course of trying to save themselves they wrote this book Raw transparently honest the Shriver's story alone is an inspiration offering hope and practical strategies for healing Now this updated and revised edition adds other real life stories of betrayal and forgiveness and new information defining adultery including the destruction of emotional affairs Some doubt if a marriage can truly heal after the ravages of infidelity Unfaithful proves you can It's not easy but it can be done Is it worth it Yes And you hold the first step and hope in your hand **A Counselor's Guide to Working with Men** Matt

Understanding Male Sexual Abuse O'Brien Dennis, 2011-08-24 The best way to understand male sexual abuse is to learn about its survivors They are the victims and they have stories to tell Author O'Brien Dennis recounts how he was sexually abused as a boy in Jamaica and he also shares accounts from other men who were abused By giving them a voice he unveils how male sexual abuse can so easily happen at the hands of close and trusted family friends and even strangers As you read these intimate stories you'll learn how society's narrow definitions of sexuality and masculinity have conspired to silence male victims preventing many from speaking up about their abuse Sexual abuse hurts victims who may later suffer from drug addiction sexual dysfunction self blame guilt and other problems Male rape is used not only as a form of subjugation but also as a tool for war and dominance in contemporary wars and conflicts Male sexual abuse is underreported and it is estimated that one in six boys is sexually abused before he reaches age sixteen By *Understanding Male Sexual Abuse* it's possible to start exploring solutions to a terrible problem Dennis calls on policy makers and public administrators to raise their heads from their sheaves of paper and to pay attention to the many men who are victims of rape in prisons or other institutions and to see that male sexual abuse is more than a public health hazard rather it rips at the fabric of society and humanity Antoine B Craigwell journalist Ebony, 1997-04 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
