Reading The Classics With C S Lewis:

Reading the Classics with C.S. Lewis, 2000 **Some of My Best Friends are Books** Judith Wynn Halsted, 2009

Recommends books for gifted readers that provide insights and coping skills for issues they may face from preschool through high school featuring more than three hundred titles with brief summaries organized by reading levels and includes an index arranged by theme Reading the Classics with C. S. Lewis Thomas L. Martin, 2001-01-15 An in depth study of Lewis's

great love of literature and his monumental work as a literary critic *Books That Change lives* CLC

Publications, 2014-08-19 Books That Change Lives is a compilation of essential books recommended by Christian retail book experts This guide is a useful tool for beginners just coming to the faith veteran Christians searching for growth and

guidance and church leaders seeking to study the Christian faith and recommend quality Christian books to others The BBC Talks of E.M. Forster, 1929-1960 Edward Morgan Forster, 2008 Seventy of Forster's BBC broadcasts trace his evolution from novelist to skillful cultural critic revealing his vitality and importance as an astute critic of contemporary literature from Joyce to Steinbeck to Tagore and a political activist for India Scripts dating from WWII provide new perspective on the arts during wartime Provided by publisher Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of

contemporary American children's literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b/w illustrations *Children's Literature and the Politics of Equality* Pat Pinsent, 2013-07-04 First published in 1997 In this book the author intends to explore some of the many questions which arise as a result of increasing awareness in our society about equality issues Can the attempt to make books for children consistent with contemporary views about equality go too far In any case are children really as much influenced by books and other material as some educationalists would claim What can or should we do about the classics Of the past And are today's children's writers so much better at avoiding giving offence to minorities How much are children affected by the kind of prejudices and preconceptions that we all grow up with but don't always succeed in acknowledging in later life

Books in the Life of a Child Maurice Saxby, 1997-10-15 Books in the Life of a Child explores the value of books and reading in the stimulation of children's imagination and their fundamental importance in the development of language and true literacy It examines not only the vast range of children's books available but also how to introduce young people to the joys of reading in the home the school and in the community The book has been written as a resource for all adults especially teachers student teachers librarians and parents and those who care about the value of literature for children It is a comprehensive and critical guide with chapters on the history of children's literature and an analysis of its many forms and genres from poetry fairytale myth legend and fantasy through realistic and historical fiction to humour pulp fiction and information books Learning From Children Who Read at an Early Age Diana Hughes, Rhona Stainthorpe, 2012-10-12

Learning From Children Who Read at an Early Age is the result of a three year research project in which the authors studied a group of children who learnt to read without being taught from before they started school until the end of Year 2 when they were given their first National Curriculum assessments Using this study as a framework for examining how children make progress over their time in Key Stage 1 across a range of literacy skills the authors suggest guidelines which teachers can use to help all children progress with reading

Good Books Matter Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level
