Old Life A Daughters Journey Dealing With Sudden Loss:

Old Life Christina Haines, 2015-05-18 When a seemingly healthy 61 year old mother and grandmother suddenly dies her daughter's life is irreversibly changed This story gives an uncensored view into the struggles of a daughter and her family as they grieve and search for the medical reasons as to how someone so full of life could just die The author shares her very personal experiences with loneliness the difficulties of grieving in unconventional ways and the unexpected challenges of trying to settle an estate during the peak of the Great Recession After eight years of living in a world without parents the daughter offers a very heartfelt view of what her mother's life may have been like had there been some kind of warning that something tragic was about to happen This book is a helpful resource to anyone who is grieving the death of a parent or coping with the loss of someone you love

Lost Without My Children Lelia Alvarez, 2010-03-19 A grieving mother wanting to share her real life experience about the mysterious and sudden deaths of her children Dealing with the mysterious death of her healthy three month old baby girl and trying to find out the cause has been a mystery for over twenty five years Waking up on morning to find that her baby girl is dead was such a tremendous harrowing experience to deal with and to have her children witness the death was unbearable After twelve years as a single mother she finds the man of her dreams having someone to stand by her side Her dream was to become a grandmother she was delighted with joy when her son became a father until her dream was shattered She gets a call in the middle of the night that her son has died Grief stricken with tragedy for the second time she cant understand why her wish was granted being blessed with a precious grandson at a price of losing her son After her sons death she is faced with so many legal problems hitting her all at once she is so distressed trying to survive without her son She becomes so angry and bitter fearing of losing her only child sinking into a deep depression and refusing to give in Grieving mother decides to write a book being the most hardest and emotional job shes ever had but she is determined to finish with a goal to share her experience with families that have lost their children There is nothing no one can say that will ease our pain only the ones that have experience this horrible ordeal can relate to our pain She will forever treasure the short time her children were in her life but will forever be lost without them

Children Today, 1981 **Handbook of Death and Dying** Clifton D. Bryant, 2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine
