The Secret Lives of Garden Bees Jean

Vernon,2020-03-30 A friendly accessible guide into the weird but wonderful world of bees in the gardens of the UK From the common or garden bumblebees that nest in bird boxes compost heaps and old mouse holes making Winnie the Pooh style honey pots to feed their babes to the quirky wool carder bee a solitary bee that combs the fluff from garden plants to line her brood cells and the amazing leaf cutter bee that carves chunks out of plant foliage to seal its egg chambers This book will reveal the secrets and fascinating lives of the bees that live and breed in your garden from buzz pollination to the bee robbers that cheat the plants and steal nectar by stealth With a chapter per season to explore what you are likely to see in your garden great plants to grow to help them plus other fascinating information on these secretive creatures this book is designed to bring alive the world of garden before your very eyes The colorful narrative radiates the authors love for bees and is punctuated with heaps of beautiful photographs Easily read from cover to cover or dipped in to when in need of bee identification Sunday Express UK

Getting Schooled Garret Keizer,2014-08-05 In this powerful eloquent story of his return to the classroom a former teacher offers a rousing defense of his beleaguered vocation Perhaps no profession is so constantly discussed regulated and maligned by non practitioners as teaching The voices of the teachers themselves are conspicuously missing Defying this trend teacher and writer Garret Keizer takes us to school literally in this arresting account of his return to the same rural Vermont high school where he taught fourteen years ago Much has changed since then a former student is his principal standardized testing is the reigning god and smoking in the boys room has been supplanted by texting in the boys room More familiar are the effects of poverty the exuberance of youth and the staggering workload that technology has done as much to increase as to lighten Telling the story of Keizer s year in the classroom *Getting Schooled* takes us everywhere a teacher might go from field trips to school plays to town meetings from a kid s eureka moment to a parent s dark night of the soul At once fiercely critical and deeply contemplative Keizer exposes the obstacles that teachers face daily and along the way takes aim at some cherished cant that public education is doomed that the heroic teacher is the cure for all that ails education that educational reform can serve as a cheap substitute for societal reformation Angry humorous and always hopeful *Getting Schooled* is as good an argument as we are likely to hear for a substantive reassessment of our schools and those who struggle in them

That's So High School Leah Tucker, Ellie Bakker

the heroine of *That's So High School* thought she knew everything about high school Her own high school experiences taught her some basic truths 1 high school romances never work out 2 bad yearbook pictures can haunt you for years to come and 3 prom is never as perfect as it

should be In her eighth year of teaching history at her alma mater Ellie is constantly witness to these and other dramas of high school When she is reluctantly put in charge of planning the prom with a committee of eager students she becomes the subject of that drama As prom advisor Ellie is forced to relive some painful high school memories especially when her high school crush and her own prom let down the perfect Dr Steve Allen re enters her life This heartbreaker cardiologist reminds her of the nerd she was in high school To make matters worse Ellie s sister Jill is determined to get Ellie married off before she reaches her dating expiration date This puts Ellie in another uncomfortable setting the dating scene In an effort to find the perfect date for this prom Ellie dives in to modern dating Humorous experiences with online dating speed dating and blind dating lead Ellie to reevaluate her beliefs high school and otherwise
