*The Common Core Companion: The Standards Decoded, Grades 3-5* Leslie Blauman, Jim Burke, 2014-04-24 It's the teaching around the standards that counts. If you're an upper elementary teacher, we have a Common Core Companion for you too. What makes this book that version of the standards you wish you had? It's the way Leslie Blauman translates each and every standard for reading, writing, speaking, and listening language and foundational skills into the day-to-day what you do. It's all here. The standards for literature and informational texts put side-by-side for easier planning. More than a dozen teaching ideas for each standard. Recommendations on how to cultivate critical habits of mind. A glossary of academic language for each standard. An online bank of graphic organizers, reproducible charts, and more. What makes *The Common Core Companion* Grades K-2 that version of the standards you wish you had? The way it translates each and every standard into the day-to-day what you do.
