Reading And Writing Public Documents:

Reading and Writing Public Documents Daniël Janssen, Rob Neutelings, 2001-01-01 Annotation Government documents forms brochures letters and policy papers that are difficult to understand create problems both for the public they are intended to help and for government agencies In this collection researchers from five universities in the Netherlands survey recurring problems in government documents and offer possible solutions The contributors are linguists document designers and other communication experts who have studied public documents both empirically and from a design point of view Though the subject is Dutch documents the text is in English and the work may be of interest to those investigating government communication in other nations as well as those who produce similar documents in the private sector Annotation c Book News Inc Portland OR booknews com

Reading and Writing Public Documents Daniël Janssen, Rob Neutelings, 2001-02-23 Governments communicate with the public through all kinds of documents forms brochures letters policy papers and so on These public documents have an important role in any democracy and their design very much affects the efficiency with which governments can perform their tasks Document designers linguists and other communication experts in the Netherlands have been studying public documents from a design point of view as well as empirically for decades In this book the most prominent of these researchers present the results of their work collectively giving an overview of various recurring problems in government to public communication and providing suggestions for problem solving
