

Reading Luke—Acts in the Pentecostal Tradition

Martin William Mittelstadt

Reading Luke Acts In The Pentecostal Tradition

Mark J. Cartledge

Reading Luke Acts In The Pentecostal Tradition:

Reading Luke-Acts in the Pentecostal Tradition Martin William Mittelstadt, 2010 In this first study of its kind noted Pentecostal Lucan scholar Martin Mittelstadt has undertaken an extensive examination of Pentecostal scholarship with an eye toward assessing the influence of Luke Acts upon it Beginning with Azusa Street and continuing to the present Mittelstadt 1 traces the emergence of Pentecostal scholarship in the academic marketplace with the various responses to the catalytic the work of James D G Dunn 2 examines the influence of Luke Acts on narrative theology missiology healing and exorcism the role of women spiritual formation and Oneness theology and 3 identifies Pentecostal contributions in the area social ethics peace making suffering and persecution ecumenism globalization and post modernity The work concludes with observations on possibilities for future engagement and an extensive bibliography

Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen, 2019-10-16 Lukan narrative takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future

Luke-Acts James P. Grimshaw, 2018-09-20 This volume on Luke Acts as with all titles in the Texts Contexts Series highlights readings that make explicit the diverse contemporary contexts of biblical interpreters The global spread of contributors includes scholarly voices from South Africa South America and Hong Kong as well as from the United States The chapters are organized around four themes The first examines interpretations of Jesus looking at his childhood contemporary context and his teaching including whether Jesus sympathetic response to disease and pain might be used to advocate euthanasia The second examines social categories gender race and class including a political and racialized reading of the history of diasporic Black America as a model for reading Acts as a diasporic history The third examines issues of empire and resistance The final part looks at society and spirituality with a focus on modern contemporary contexts

The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement

However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

Defining Issues in Pentecostalism Steven M. Studebaker, 2008-03-01 This book brings together the papers presented at the McMaster Divinity College 2007 Pentecostal Forum Defining Issues in Pentecostalism Classical and Emergent It highlights the defining topics past and present of Pentecostal theology The chapters are grouped under Pentecostal theology and biblical studies with selections on classical and contemporary issues in each category This book provides an introduction to the classical doctrines of Pentecostalism and key contemporary developments in Pentecostal theology in one volume Professors desiring to introduce students to Pentecostalism will find here a concise and accessible introduction to the defining historical and contemporary issues

The Spirit, Indigenous Peoples and Social Change Michael J. Frost, 2018-11-05 In The Spirit Indigenous Peoples and Social Change Michael Frost explores a pentecostal theology of social engagement in relation to M ori in New Zealand Pentecostalism has had an ambiguous relationship with M ori and in particular lacks a robust and coherent theological framework for engaging in issues of social concern Drawing on a number of interviews with M ori pentecostal leaders and ministers Frost explores the transformative role of pentecostal experience for M ori cultural identity a holistic theology of mission an indigenous prophetic emphasis and consequent connections between pentecostalism and liberation He thus contributes a way forward for pentecostal theologies of social change in relation to M ori with implications for pentecostalism and indigenous peoples in the West

Pentecostalism: A Guide for the Perplexed Wolfgang Vondey, 2012-12-18

Pentecostalism is the fastest growing religious movement of our time. The unexpected birth of the modern day Pentecostal movement at the doorsteps of the twentieth century is as perplexing as its continuing existence and unprecedented expansion worldwide. Once marginalized from public discourse, Pentecostals have entered into mainstream culture, religion, politics, academia, and social action. However, the unprecedented growth of Pentecostalism in all its diversity has led to characterizations ripe with platitudes, stereotypes, and misrepresentations. This Guide for the Perplexed sheds light on the most persistent contrasts characterizing the Pentecostal movement: the tension between local manifestations and global Pentecostalism; the inconsistency between spiritual discernment and charismatic excess; the gap between rampant denominationalism and the pursuit of Christian unity; the disparity between poverty among many Pentecostals and the popularity of the prosperity gospel; the division between Oneness Pentecostals and their trinitarian counterparts; and the worldview of Pentecostals beyond the confines of a religious movement. Those tensions form the essence of global Pentecostalism and represent the emergence of a global Christian world.

The Holy Spirit and Public Life Mark J. Cartledge, 2022-04-04. *The Holy Spirit and Public Life* offers a masterful analysis of the intersections between pneumatology and public theology, as well as contemporary Christianity and secular society. Examining issues from race to domestic violence with compassion as well as critical rigour, Mark J. Cartledge, one of the UK's leading authorities on the Pentecostal Charismatic Movement, skilfully anchors his argument in both the biblical text and insight and empirical data from the contemporary world. His deep appreciation of the many ways in which the Christian faith inspires and empowers transformative social engagement will motivate and mould the rising commitment among Pentecostals and Charismatics to live the gospel in the public square in the power of the Spirit. Finally, Cartledge proposes that the church engage with society by being truthful with love. This posture provides the integrating center for the life of the church and its mission in the world.

The Hermeneutical Spirit Amos Yong, 2017-11-06. In the contemporary biblical studies climate, proposals regarding the theological interpretation of Scripture are contested, particularly but not only because they privilege, encourage, and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood. Within this context, confessional approaches have been emerging, including some from within the nascent pentecostal theological tradition. This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post-Pentecost, meaning after the Day of Pentecost, outpouring of the Spirit on all flesh in anticipation of the coming reign of God. In that respect, such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time. *The Hermeneutical Spirit* thus provides close readings of various texts across the scriptural canon as a model for Christian

theological interpretation of Scripture suitable for the twenty first century global context *Mennocostals* Martin William Mittelstadt, Brian K. Pipkin, 2020-02-05 Pentecostal and Mennonite contributors to this volume have been enriched by mutual hospitality Through friendships across their respective traditions they have shared and received the benefits of theological experiential and ministry convergence In celebration of their common journeys they offer their collective lives as Mennocostals You will enjoy inspiring honest and vulnerable accounts of formation and ministry from academics pastors and missionaries If you find these Mennocostal stories compelling you will invariably want to discover your own story alongside and beyond the stories in this volume

Thank you totally much for downloading **Reading Luke Acts In The Pentecostal Tradition**. Most likely you have knowledge that, people have look numerous time for their favorite books in the manner of this Reading Luke Acts In The Pentecostal Tradition, but end stirring in harmful downloads.

Rather than enjoying a good PDF behind a cup of coffee in the afternoon, on the other hand they juggled next some harmful virus inside their computer. **Reading Luke Acts In The Pentecostal Tradition** is easily reached in our digital library an online access to it is set as public suitably you can download it instantly. Our digital library saves in complex countries, allowing you to acquire the most less latency period to download any of our books considering this one.
