Reading and Translating Contemporary Russian Horace William Dewey, 1963 **Reading and Translating Contemporary Russian** Horace William DEWEY (and MERSEREAU (John) Associate Professor of Slavic Languages and Literatures, University of Michigan.), John MERSEREAU (Associate Professor of Slavic Languages and Literatures, University of Michigan.), 1963 **Russia's Cultural Statecraft** Tuomas Forsberg, Sirke Mäkinen, 2021-11-04 This book focusses on Russia's cultural statecraft in dealing with a number of institutional cultural domains such as education museums and monuments high arts and sport It analyses to what extent Russia's cultural activities abroad have been used for foreign policy purposes and perceived as having a political dimension Building on the concept of cultural statecraft the authors present a broad and nuanced view of how Russia sees the role of culture in its external relations how this shapes the image of Russia and the ways in which this cultural statecraft is received by foreign audiences The expert team of contributors consider what choices are made in fostering this agenda how Russian state authorities see the purpose and limits of various cultural instruments to what extent can the authorities shape these instruments what domains have received more attention and become more politicised and what fields have remained more autonomous The methodological research design of the book as a whole is a comparative case study comparing the nature of Russian cultural statecraft across time target countries and diverse cultural domains It will be of interest to scholars and students of Russian foreign policy and external relations and those working on the role of culture in world politics *Contemporary Translation in Transition* Maria Khotimsky, Friederike Reents, Henrieke Stahl, William Waters, 2025-01-07 This book investigates the hybrid multiform nature of contemporary poetry with particular emphasis on recent Russian lyric and its translations into German and English Poetry translation thriving and obstinately open ended is not so much a defined process as a practice of ongoing transit across linguistic and national borders The book's innovative format invites contemporary poets into dialogue with literary translators editors publishers and scholars the conversations among their wide ranging essays poems and exchanges both model and investigate the work of transcultural dialogue As a kind of transition poetry translation engages the composition and disintegration of forms revises relations of producers to receivers mixes and rethinks genres and media translates itself as multilingual writing or language experiment Multiple translations of a poem do not compete but interact reshaping the putative gulf between source and target language In the end this volume underscores the aesthetic productivity of poetry translation and the need to nurture it A must read for anyone interested in the dynamic interplay of poetry language and culture Catalogue of the University of Michigan University of Michigan, 1947 Announcements for the following year included in some vols **General Register** University of Michigan, 1945 Announcements for the following year included in some vols **University of Michigan Official Publication**, 1945 Joyce, Multilingualism, and the Ethics of Reading Borianna Alexandrova, 2020-09-16 What if our notions of the nation as a site of belonging the home as a safe place or the

mother tongue as a means to fluent comprehension did not apply What if fluency were a hindrance whilst our differences and contradictions held the keys to radical new ways of knowing Taking inspiration from the practice of language learning and translation this book explores the extraordinary creative possibilities politics and ethics of adopting a multilingual approach to reading Its case study James Joyce s *Finnegans Wake* 1939 is a text in equal measures exhilarating and exasperating an unhinged portrait of European modernist debates on transculturalism and globalisation here considered on the backdrop of current discourses on migration race gender and neurodiversity This book offers a fresh perspective on the illuminating if perplexing work of a beloved European modernist whilst posing questions far beyond Joyce on negotiating difference in an increasingly globalised world on braving the difficulty of relating across languages and cultures and ultimately on imagining possible futures where multilingual literature can empower us to read relate and conceptualise differently

Russia's New Authoritarianism David G. Lewis, 2020-03-27 David G Lewis explores the transformation of Russian domestic politics and foreign policy under Vladimir Putin Using contemporary case studies including Russia s legal system the annexation of Crimea and Russian policy in Syria he critically examines Russia s new authoritarian political ideology
