Readings In World Christian History:

Readings in World Christian History: Earliest Christianity to 1453 John Wayland Coakley, Andrea Sterk, 2004
Through the advice of many scholars of Christian origins the selections here include texts that show students how Christianity developed and was lived in Asia Africa and the Mediterranean These texts show Christian life beyond the confines of Byzantine and Western Christendom as Christians enter the Mongol and Chinese courts struggle to cope with Islam and continue to live in places such as Ethiopia and Egypt Designed for the classroom Readings in World Christian History highlights the variety of Christianities that grew out of the Palestinian Jesus Movement of the first century

Readings in World Christian History John Wayland Coakley, Andrea Sterk, 2004 Het vergeten christendom Philip Jenkins, 2011-09-05 De duizendjarige bloeitijd van de kerk in het Midden Oosten Afrika en Azië Baanbrekend boek over het vroege christendom In Het vergeten christendom maakt Jenkins op even verrassende als fascinerende wijze duidelijk dat het epicentrum van de christelijke macht aanvankelijk niet in West Europa lag zoals meestal wordt gedacht maar ten oosten van Rome in een wereld die zich uitstrekte van China tot Noord Afrika Jenkins verhaalt van de opkomst bloei en ondergang van een christelijk rijk met diepe Afrikaanse en Aziatische wortels die in sommige gevallen teruggaan tot de tijd van Jezus eerste volgelingen Dat dit christelijke rijk na Constantijn nog meer dan duizend jaar heeft voortbestaan is een hoofdstuk uit de wereldgeschiedenis dat Jenkins in dit boek aan de vergetelheid ontrukkt Eeuwenlang zwaaiden de christelijke kerken descepter over het Midden Oosten en in het nieuwe islamitische rijk fungeerden ze als bestuurlijke en academische machtscentra Het vergeten christendom werpt een verhelderend licht op de verhouding tussen de christenen en hun islamitische overheersers en maakt duidelijk dat veel islamitische gebruiken en ideeën schatplichtig zijn aan deze verdwenen christelijke gemeenschappen *Global Christianity and the Early Letters of Horace G. Underwood* James Jinhong Kim, 2022-03-31 Who was Horace G Underwood and what possible significance could another missionary of the nineteenth century have to help us rethink our approach to global Christianity and mission in the twenty first century As the first Protestant missionary to set foot in Korea the last hermit kingdom Underwood is regularly credited with Christianity's unparalleled success and continuing fervent presence in Korea today including its corps of over 27 000 fulltime missionaries in 170 countries around the globe second only to the US in the number of missionaries sent to foreign lands But as extraordinary as his journey to Korea may have been for this arguably most under recognized Protestant missionary of all time it may be his journey from it that offers us vital insights for the future of missions From the making of Underwood through his formative years in England France and America to the Neo Confucian culture he encountered among the people in Korea this book culminates with the presentation and analysis of his previously unknown private letters from the years between 1884 and 1898 showing us the gradual process of interculturalization he himself underwent as a missionary that allowed him to discover and encourage global yet local expression of faith in Korea **Christian Tradition in**

The Next Christendom Philip Jenkins,2011-09-13 In this new and substantially expanded Third Edition Philip Jenkins continues to illuminate the remarkable expansion of Christianity in the global South in Africa Asia and Latin America Drawing upon the extensive new scholarship that has appeared on this topic in recent years he asks how the new Christianity is likely to affect the poor among whom it finds its most devoted adherents How should we interpret the enormous success of prosperity churches across the Global South Politically what will be the impact of new Christian movements Will Christianity contribute to liberating the poor to give voices to the previously silent or does it threaten only to bring new kinds of division and conflict Does Christianity liberate women or introduce new scriptural bases for subjection Acclaim for previous editions of *The Next Christendom* Named one of the Top Religion Books of 2002 by USA Today Named One of the Top Ten Religion Books of the Year by Booklist 2002 Winner of the Christianity Today Book Award in the category of Christianity and Culture 2002 Jenkins is to be commended for reminding us throughout the often gripping pages of this lively work that the history of Christianity is the history of innovative and unpredictable adaptations The New York Times Book Review This is a landmark book Jenkin s thesis is comprehensively researched his analysis is full of insight and his projection of the future may indeed prove to be prophetic Baptist Times A valuable and provocative look at the phenomenon widely ignored in the affluent North but likely to be of enormous importance in the century ahead *The Next Christendom* is chillingly realistic about the relationship between Christianity and Islam Russell Shaw Crisis If the times demand nothing less than a major rethinking of contemporary global history from a Christian perspective *The Next Christendom* will be one of the significant landmarks pointing the way Mark Noll Books Culture

An Introduction to Theology in Global Perspective Stephen B. Bevens,2009

Mission in the Early Church Edward L. Smither,2014-04-28 How did Christian missions happen in the early church from AD 100 to 750 Beginning with a brief look at the social political cultural and religious contexts *Mission in the Early Church* tells the story of early Christian missionaries their methods and their missiology This book explores some of the most prominent themes of mission in early Christianity including suffering evangelism Bible translation contextualization ministry in Word and deed and the church Based on this survey modern readers are invited to a conversation that considers how early Christian mission might inform global mission thought and practice today

Translating the Message Lamin Sanneh,2015-02-25

The Missiological Spirit Amos Yong,2014-11-10 The field of the theology of mission has developed variously across Christian traditions in the last century Pentecostal scholars and missiologists also have made their share of contributions to this area This book brings the insights of pentecostal theologian Amos Yong to the discussion It delineates the major features of what will be argued as central to a viable vision and praxis for Christian mission in a postmodern post Christendom post Enlightenment post Western and postcolonial world What emerges will be a distinctively pentecostally and evangelically informed missiological theology one rooted in the Christian

salvation history narrative of Incarnation and Pentecost that is yet open to the world in its many and various cultural ethnic religious and disciplinary discourses and realities The argument unfolds through dialogical engagements with the work of others concrete case studies and systematic theological reflection Yong s pneumatological and missiological imagination proffers a model for Christian theology of mission suitable for the twenty first century global and pluralistic context even as it exemplifies how a missiological understanding of theology itself unfolds amidst engagements with contemporary ecclesial practices and academic theological impulses
