Having no idea who her real parents were, she's been drifting around the U.S. for over 100 years, moving every 15 years or so since she just doesn't seem to age. She'd figured out on her own that she had to be at least part vampire as she needs to suck on a few blood bags a month to survive. Working as a detective with the Denver P.D., Lotus is searching desperately for a serial killer who is murdering the homeless of the city. Except these are not ritualistic or thrill killings. These victims have been drained of blood and Lotus knows beyond a shadow of a doubt that they have been committed by a vampire. Her search will take her to Las Vegas and that is where the true adventure will begin when she finds out who has been searching for her.
