street in front of the house I thought they must be lost so I opened the door Professor Brent Wilkins was an intelligent man who didn't believe in God. So when two men claiming to be angels with a message sent from God appeared on his doorstep he wasn't buying it until they took him on the road to truth. Michelle Wilkins was on a retreat discouraged by her husband's years of rejection toward anything even remotely spiritual. On the verge of losing all hope she was awakened in the night by a voice saying Pray for your husband's heart. As far as she knew Brent's health was in perfect condition. But in only a few hours she found herself in the hospital staring at her unconscious husband with an unknown heart condition. Through their stories we weave the mystery of what happened to Brent and Michelle's daughter Drea on a tragic missionary trip to Central Africa. Can Michelle find the faith to trust God with saving her husband's life? Will Brent put aside his anger to discover the truth? Is this truth worth dying for?
