Love in Neverland Isadora Brown, 2020-10-03 Love in Neverland is as hard to capture as fairy dust Luckily Magdalena Trainor has no need for either Love has never been at the forefront of her mind Her sole focus is to keep an eye on Captain Nicholas Grey while James Hook the only person Magda trusts has Remy Cutler in his clutches She doesn't expect the task to be difficult Nicholas Grey may have brawn but doesn't appear to have any brain except he turns out to be more than she bargained for And not in a bad way For Remy Cutler love in Neverland is impossible and unimportant All she wants to do is get back home back to her parents her easy life and even her undesirable arranged marriage with a man she has no passion for James Hook may be beautiful but he's cold and while he does not raise a hand to her Remy is constantly left alone isolated from everyone save for her handmaiden She still has no idea why she's so special and James isn't sharing what he's planning to do with her either There's a threat looming over her head and James Hook plays two parts captor and protector With no one left to trust but him she puts her life and heart in his hand and hook Readers are diving into this sweeping sequel of Death in Neverland

Peaches Evelyn Montgomery, 2021-05-12 He makes it known he's dead set on claiming my peach the first chance he gets and the sooner the better It doesn't have to be a best seller It doesn't have to be something new no one has ever read before So why am I over thinking and making this so damn difficult I need to focus To push past the writer's block the fear the taunting rejection that they'll all think this new book of mine sucks a big fat dick Am I allowed to say that Screw it because I just did I don't need distractions Especially mouth watering panty dropping dirty talking self gratifying distractions Distractions that cause my breath to catch my thighs to clench my center to quickly dampen and my brain to scream only two self gratifying words Yes fucking please OK that was three Never mind the fact that he's my new boss Forget the idea that he corners me into a fake engagement the first day we meet Ignore the obvious attraction and the fact that I can't for the life of me stay away from Mr Brettly Beckett What's more I don't want to and he doesn't make it easy No he's not backing down without putting in some very hard to resist self pleasure seeking efforts Gifting me with the nickname Peaches he makes it known he's dead set on claiming my peach the first chance he gets and the sooner the better But I quickly learn that could prove too self destructive if we let it After all it's like they say not everything in life can be as sweet as a peach Or can it Praise for Peaches I started this book at two in the morning planning to only read a few chapters but I was automatically sucked in I could not put it down

until I finished I devoured this book I love Brett and Grace The chemistry between them is explosive with a bit of comedy I loved this book More so because the protagonist is so believable I loved the banter between her and Brett it s absolutely the best Definitely a book I would recommend to everyone The characters draw you in and their story will keep you entertained from beginning to end The last few chapters had me laughing and crying I ve never seen a book wrapped up in quite the same manner but I loved it
