Never Say Never A Sniper 1 Security Novel Sniper 1 Security Series :

Never Say Never Nicole Edwards, 2015-08-18 Ryan Trexler has devoted his entire life to his family's security business. And now that he's slated to take over the reins for the company, RT knows that his life is only going to get more complicated. Add in the fact that he's lusting over one of the men who works for him, and RT knows that there are some serious tough times ahead. Zachariah Tavoularis, nicknamed Z, has been employed by Sniper 1 Security for a decade. Despite being known as the most loyal enforcer outside of family, Z also has a reputation of being quite the playboy, though that was based more on rumor than fact. When an assignment comes up that forces the two of them to work together, Z knows it's time to show RT he's not the man he thinks he is. Can they complete the mission despite the fact that it puts them in a tenuous situation, bringing them closer than either of them ever expected? And will Z allow RT to convince him that they can never be together, no matter how much they both want it?

Wait for Morning Nicole Edwards, 2015-04-07 Trace Kogan will go to any length to protect those who need protecting. That is the business he is in; the business his father Casper Kogan started with Bryce Trexler more than thirty-five years ago. Trace spends day and night eliminating threats to clients, so when the danger hits too close to home, he won't let anything come between him and the woman who desperately needs his help. His only fear is the physical reaction he has to Marissa; it may pose a bigger danger to them both than the ghost that they find themselves up against. Marissa Trexler has spent the last twelve months of her life in hiding, tucked away in one safe house after another for her own protection. The threat to her is real, even if the reason is still unknown. Strangely, whoever is after her seems to find her no matter where she goes, leading her family to believe it's an inside job. So when the decision is made that Trace will provide personal protection, she can't say no, even if being close to him adds another level of danger, and this one is to her heart.

Distraction Nicole Edwards, 2017-01-31 **Owned** Nicole Edwards, 2021-02-23 Have you ever believed you'd one day cross paths with someone who would sweep you off your feet and offer you a life right out of a fairy tale? When you've spent your life hiding from monsters, it seems reasonable that you might cling to a magical, fabled romance. I did. I found it was easier to look for the positive, to remain hopeful, and to sometimes imagine a fantasy-worthy life. I'm not sure if I did it for my sanity or to keep my brother's spirits up. You see, Ransom Bishop is not only my brother; he's also the one who saved me from a life that would've ended badly, and in doing so, he gave up so much. Since the day he stole me away from the monsters when I was nine years old, Ransom has been mother, father, brother, and best friend, watching my back and protecting me from them. For fifteen years, we thought we were safe, and maybe we were. But then my brother helped a friend in need, and everything changed. They found us. Now it's a matter of life or death, and there's only one person my brother trusts: one man. Ransom is willing to be indebted to in an effort to ensure nothing happens to me. Talon has agreed to take me in, under one condition: Ransom has to relocate with me, and he has to fake our deaths. Again. Little do I know, but Talon is going to change my perception, my ideals, and yes, he's going to change my life. My name is Braelyn Bishop, and this is my fairy tale. **Owned** is the
