Reese Jr., 2011-10-12 Whether you are just beginning your Personal Walk with God or have been on this highly significant journey for years there are always questions that may not be discernable due to the living growing complex nature of the message of God s Word the Bible Readers of this God breathed Word often get distracted from its central theme to know Jesus the Christ by issues pertaining to the people the situations the rituals the doctrines and the stories they have heard and maybe not read which have been handed down for generations This book is a collection of real questions asked by everyday people Christians and those seeking to be Christians on subjects ranging from Jonah and the Whale and How to become a Christian to the actual validity of the Bible itself The answers were broadcast on a weekly radio show by Pastor James R Reese Jr who s Pastoral career spanned well over 60 years It is an excellent source to accompany

any Bible Study or just to pick up and begin reading The first draft of this book was taken from the actual recordings of his broadcasts which took place in several different states over a time period of 50 years The manuscript was first typed by Pastor James R Reese Jr himself on a now considered antique manual typewriter It was then carried around in a box for many more years At the urging of Pastor James R Reese Jr s son Pastor Scott Reese the box was finally opened and its contents put on a computer file in 2003 The final editing began in 2010 and was completed in May of 2011 for presentation to the publisher This book contains a wealth of information and knowledge inspired by a man who let his light shine before men that they may see your good works and glorify your Father which is in heaven Matthew 5 16 The completion of this book has been a labor of love for all of us involved and we pray that you will follow Pastor James R Reese s light and let your own light shine

Banned Questions About the Bible Christian D Piatt,2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don t have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says it justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives
