Never Enough Donald Trump And The Pursuit Of Success:

President Donald Trump Charles Groenhuijsen, 2016-11-19 Het was voor velen onvoorstelbaar maar gebeurde toch op 8 november 2016 versloeg Donald Trump aartsrivaal Hillary Clinton Hij volgt op 20 januari 2017 Barack Obama op als 45ste president van de Verenigde Staten van Amerika De zeventigjarige multimiljardair Trump groeide op als zoon van een New Yorkse vastgoedondernemer en had al snel door dat een gewoon burgermansbestaan n ets voor hem was Rijk wilde hij worden beroemd berucht gezien besproken een niets en niemand ontziende winnaar In dit boek zet Amerika kenner Charles Groenhuijsen zijn tanden in het fenomeen Trump Hoe is hij geworden wie hij is Hoe verliep de campagne tegen draaikont Hillary Clinton Een Amerikaanse president zonder enige politieke ervaring is dat gevaarlijk Een Bokito in het Witte Huis Hoe loopt dat af Aan de hand van de meest trumpiaanse foto s en uitspraken blikt Groenhuijsen in President Donald Trump Iedereen houdt van mij terug op de Amerikaanse verkiezingen die werden gekenmerkt door schandalen en omstreden uitspraken Na zijn verkiezing was ruziezoeker Trump ineens poeslief en riep op tot nationale verzoening Maar hoe duurzaam is dat vrome voornemen

Nooit genoeg Michael D'Antonio, 2015-12-17 De eerste en allesonthullende biografie van Donald Trump Er is n ding dat Trump drijft de vaste overtuiging dat hij een uitzonderlijk en superieur mens is Hij begon als showman op Broadway werd projectontwikkelaar en daardoor de beroemdste zakenman van Amerika Nu is hij in de race voor het Amerikaanse presidentschap Gesteund door het fortuin en de politieke connecties van zijn vader groeide Trumps zakenimperium tot grote hoogte Ook Trump zelf ontwikkelde een meer dan levensgroot imago waarbij hij zichzelf neerzette als het levende symbool van extravagantie en succes Een succes dat hij nastreeft met een vasthoudendheid die grenst aan een obsessie Hierdoor kreeg hij wel vrijwel alles waar hij zijn zinnen op had gezet In het begin van zijn kandidaatstelling zorgde hij voor zoveel controverse en stond hij op zoveel tenen dat men zich begon af te vragen wat zijn drijfveren waren D Antonio geeft hier antwoord op in de eerste biografie van misschien wel de nieuwe president van de Verenigde Staten van Amerika Hij interviewde Trump zelf en zijn vijanden maar sprak ook uitgebreid met familieleden onder wie alle volwassen Trump kinderen Michael D Antonio was vele jaren journalist en won met zijn collega s de Pulitzer Prijs In 2013 verscheen van zijn hand *Mortal Sins* over kindermisbruik binnen de katholieke kerk in de Verenigde Staten Hij schreef ook voor *Esquire* *The New York Times Magazine* en *Sports Illustrated*

Never Enough Michael D'Antonio, 2015-09-22 In the summer of 2015 as he vaulted to the lead among the many GOP candidates for president Donald Trump was the only one dogged by questions about his true intentions This most famous American businessman had played the role of provocateur so often that pundits reporters and voters struggled to believe that he was a serious contender Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race But as Michael D Antonio shows in *Never Enough* Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being As revealed in this landmark biography Donald Trump is a man

whose appetite for wealth attention power and conquest is practically insatiable Declaring that he is still the person he was as a rascally little boy Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect A product of the media age and the Me Generation that emerged in the 1970s Trump was a Broadway showman before he became a developer Mentored by the scoundrel attorney Roy Cohn Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project He leveraged his father's enormous fortune and political connections to get his business off the ground and soon developed a larger than life persona In time and through many setbacks he made himself into a living symbol of extravagance and achievement Drawing upon extensive and exclusive interviews with Trump and many of his family members including all his adult children D Antonio presents the full story of a truly American icon from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms For all those who wonder Just who is Donald Trump Never Enough supplies the answer He is a promoter builder performer and politician who pursues success with a drive that borders on obsession and yet has given him almost everything he ever wanted

The Real Psychology of the Trump Presidency

American Nightmare Douglas Kellner, 2016-11-25 Explaining the Donald Trump phenomenon is a challenge that will occupy critical theorists of U S politics for years to come Firstly Donald Trump won the Republican primary contest and is now a contender in the U S Presidential Election because he is the master of media spectacle which he has deployed to create resonant images of himself in his business career in his effort to become a celebrity and reality TV superstar and now his political campaign More disturbingly Trump embodies Authoritarian Populism and has used racism nationalism xenophobia Islamophobia and the disturbing underside of American politics to mobilize his supporters in his successful Republican primary campaign and in the hotly contested 2016 general election The Trump phenomenon is a teachable moment that helps us understand the changes and contour of U S politics in the contemporary moment and the role of broadcast media new media and social networking and the politics of the spectacle Trump reveals the threat of authoritarian populism a phenomenon that is now global in scope and the dangers of the rise to power of an individual who is highly destructive who represents the worst of the 1 percent billionaire business class who masquerades as a voice of the forgotten man as he advances a political agenda that largely benefits the rich and the military and who is a clear and present danger to U S democracy and global peace The book documents how Trump's rise to global celebrity and now political power is bound up with his use of media spectacle and how his use of authoritarian populism has created a mass movement beyond his presidency and a danger to the traditions of U S democracy as well as economic security and world peace

An Unfamiliar America Ari Helo, Mikko Saikku, 2020-11-12 This collection focuses on conceptions of the unfamiliar from the viewpoint of mainstream American history aliens immigrants ethnic groups and previously unencountered ideas and ideologies in Trumpian America The book suggests bringing historical thinking back to the center of American Studies given that it has been recently challenged by the influential memory studies boom As much as identity building appears to be the central concern for much of the current practice in American history writing it is worth keeping in mind that historical truth may not always directly contribute to one's identity building The researcher's constant quest for truth does not equate to already possessing it History changes all the time because it consists of our constant reinterpretation of the past It is only the past that does not change This collection aims at keeping these two apart while scrutinizing a variety of contested topics in American history from xenophobic attitudes toward eighteenth century university professors Apache masculinity Ku Klux

Klan Tom Waits's lyrics and the politics of the Trump era **American Nero** Richard Painter, Peter Golenbock, 2020-03-24

Donald Trump is eroding the rule of law We've heard it said many times and we can feel it in our guts But what does rule of law really mean And what happens when it breaks down From Richard Painter a senate candidate and law professor who served as White House chief ethics counsel under President George W Bush and New York Times bestselling author Peter Golenbock *American Nero* is an in depth exploration the rule of law the legal bedrock on which this country was founded Painter and Golenbock present a clear description of rule of law arguably the single most important principle underlying our civilization They also describe the abuses of power that have occurred throughout our nation's history Beginning in Puritan New England with the infamous Salem Witch Trials *American Nero* makes vivid stops at The Red Scare of the 1920s Japanese American internment the McCarthy Era and much more recently President Trump's attempt to violate the First Amendment by banning Muslims from entering the US While Trump is not the first offender he is arguably the most blatant and this unflinchingly honest and insightful work presents in devastating detail the ways in which our current president has trampled the rule of law with his attacks on the freedom of the press the independence of the judiciary and the autonomy of the justice department This is not a book about right vs left instead it is about the rule of law a principle that transcends partisan politics and how vital it is to the survival of our country This book serves as a call to action looking ahead to a brighter future for our country one where citizens and officials alike protect our rights and honor their responsibilities Timely and revealing *American Nero* shares the lessons of history and lays the framework for returning to a society that respects the rule of law an America that is consistent with our Founding Fathers vision of a genuinely free nation **Trump Unhinged** Greg Sterlace, 2017-11-13 I hardly used to care about politics What was it to me what those fat cats down in Washington were doing How did it affect my life Then along comes Trump the fattest cat of them all Suddenly I am a political junkie I care deeply about social issues I go from having no feelings about Hilary Clinton to being her biggest fan This book is a collection of what I've read and who I've become in the crazy days of Trump *Gender, Race, and Class in Media* Bill Yousman, Lori Bindig Yousman, Gail Dines, Jean McMahon Humez, 2020-07-24 *Gender Race and Class in Media* provides students a comprehensive and critical introduction to media studies by encouraging them to analyze their own media experiences and interests The book explores some of the most important forms of today's popular culture including the Internet social media television films music and advertising in three distinct but related areas of investigation the political economy of production textual analysis and audience response Multidisciplinary issues of power related to gender race and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions Reflecting the rapid evolution of the field the Sixth Edition includes 18 new readings that enhance the richness sophistication and diversity that characterizes contemporary media scholarship Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific
