New Dimensions In African History:

New Dimensions in African History Yosef Ben-Jochannan,1991 **A Glance at Africa** Njoki N. Wane,2009-06

Snapshot of Past and Present Historical Events in African Countries Funso E. Oluyitan Ed.D. Ph.D.,2019-04-17 In this book you will read about the 57 African countries The history of each country begins with the original settlers followed by the European invasion and rule You will read about the countries struggle for independence indigenous governments after independence the emergence of military governments followed by democracy as practiced in Africa today The snapshot of each country is written in less than 1000 words Enjoy the reading **History in Black** Yaacov Shavit,2013-11-12 The development of Afrocentric historical writing is explored in this study which traces this recording of history from the Hellenistic Roman period to the 19th century Afrocentric writers are depicted as searching for the unique primary source of culture from one period to the next Such passing on of cultural traits from the ancient model from the classical period to the origin of culture in Egypt and Africa is shown as being a product purely of creative history *Vodou in the Haitian Experience* Celucien L. Joseph,Nixon S. Cleophas,2016-05-05 One glaring lacuna in studies of Haitian Vodou is the scarcity of works exploring the connection between the religion and its main roots traditional Yoruba religion Discussions of Vodou very often seem to present the religion in vacuo as a sui generis phenomenon that arose in Saint Domingue and evolved in Haiti with no antecedents What is sorely needed then is more comparative studies of Haitian Vodou that would examine its connections to traditional Yoruba religion and thus illuminate certain aspects of its mythology belief system practices and rituals This book seeks to bridge these gaps Vodou in the Haitian Experience studies comparatively the connections and relationships between Vodou and African traditional religions such as Yoruba religion and Egyptian religion Such studies might enhance our understanding of the religion and the connections between Africa and its Diaspora through shared religious patterns and practices The general reader should be mindful of the transnational and transcultural perspectives of Vodou as well as the cultural socio economic and political context which gave birth to different visions and ideas of Vodou The chapters in this collection tell a story about the dynamics of the Vodou faith and the rich ways Vodou has molded the Haitian narrative and psyche The contributors of this book examine this constructed narrative from a multicultural voice that engages critically the discipline of ethnomusicology drama performance art anthropology ethnography economics literature intellectual history philosophy psychology sociology religion and theology Vodou is also studied from multiple theoretical approaches including queer feminist theory critical race theory Marxism postcolonial criticism postmodernism and psychoanalysis *The Rule of Law and Governance in Indigenous Yoruba Society* John Ayotunde Isola Bewaji,2016-08-22 In *The Rule of Law and Governance in Indigenous Yoruba Society* John Ayotunde Isola Bewaji has two main goals The first is to provide an exploration of aspects of indigenous Yoruba philosophy of law The second is to relate this philosophy of law to the Yoruba indigenous traditions of governance with a view to appreciating the relevance of the Yoruba traditions of law and

governance to contemporary African experiments with imported Western democracy in the 21st century This book is devoted to what can be described as a juridical forensic investigation of Nigeria s predicament of developmental deficit leading to gross and unconscionable impoverishment of large segments of the population in the midst of so much natural resources and abundant human capital using Yoruba indigenous legal traditions as reflective template Bewaji urges that Africa has to take seriously the necessity of obedience observance enforcement and operation of law as no respecter of persons groups affiliations and pedigrees as was in the case in the societies founded by our ancestors rather than the present scenario whereby the highest bidder procures semblances of justice from a crooked system of common law which was never designed to be fair equitable and just to the disadvantaged in society J. M. Coetzee and the Politics of Style Jarad

Zimbler,2014-06-23 J M Coetzee s early novels confronted readers with a brute reality stripped of human relation and a prose repeatedly described as spare stark intense and lyrical In this book Jarad Zimbler explores the emergence of a style forged in Coetzee s engagement with the complexities of South African culture and politics Tracking the development of this style across Coetzee s first eight novels from *Dusklands* to *Disgrace* Zimbler compares Coetzee s writing with that of South African authors such as Gordimer Brink and La Guma whilst re examining the nature of Coetzee s indebtedness to modernism and postmodernism In each case he follows the threads of Coetzee s own writings on stylistics and rhetoric in order to fix on those techniques of language and narrative used to activate a politics of style In so doing Zimbler challenges long held beliefs about Coetzee s oeuvre and about the ways in which contemporary literatures of the world are to be read and understood

Ghana's Foreign Policy Charles Asante,2024-08-19 Ghana s Foreign Policy Kwame Nkrumah s Normative Legacy and Pan Africanism examines Ghana s foreign policy in the post independence era focusing on the enduring legacy of Kwame Nkrumah This book also analyzes the complexity of post independence foreign policy decision making and the influence of the post colonial narrative during the Cold War In this study Charles Asante argues that the significance and continuity of Nkrumah s legacy is often attributed to his pan Africanist leadership on the African continent fervently articulating an independent African foreign policy Leaders like Nkrumah considered themselves as the redeemers of Africa s political and economic vulnerability from its colonial experiences Asante finds that in contrast to the positive experience associated with his independence movement for Ghana Nkrumah could not build the same kind of vision engagement and networks among other African nationalist leaders necessary for successful promotion of a Pan African region Despite Nkrumah s own foreign policy failures in the Congo the United States of Africa project and his sudden overthrow in 1966 Nkrumah s Pan African vision is still promoted as an important foreign policy objective by Ghana s politicians public servants military and academics

Africa Reimagined Hlumelo Biko,2021-01-15 Steve Biko argued that the most potent weapon in the hands of the oppressor is the mind of the oppressed Hlumelo Biko unpacks this in its practical import and shows how changing the situation can transform Africa **Encyclopedia of Black Studies** Molefi Kete Asante,Ama Mazama,2005 In the 1960s

Black Studies emerged as both an academic field and a radical new ideological paradigm. Editors Molefi Kete Asante and Ama Mazama, Black Studies Temple U, both influential and renowned scholars, have compiled an encyclopedia for students, high school and beyond, and general readers. It presents analysis of key individuals, events, a
