Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Let the Communion Commence** Kevin Dean Smith,2021-05-13 Let the Communion Commence Lighthearted Reflections on the Heart of God for Humanity is a humble effort by a long time Christian public educator and traveler to use his somewhat unique style and experiences to communicate to his graduating students and to anyone else who might come along for the read the wonders of a life consuming relationship with God Much of the content is also inspired by reflections on the sacrament of Communion and thus the book may be of interest to a broader audience than just to graduates embarking on the next stage of life Part one of the book seeks to introduce the Christian faith to those who may be unfamiliar with the Gospel message that the Author and Creator of the Universe seeks communion or a personal relationship with anyone willing to embrace the death resurrection and Lordship of Jesus Christ in order to receive salvation from the consequences of disobedience to God Part two encourages lifelong enrollment in the class of learning to be like Jesus Christ in preparation for becoming citizens of and for introducing others into the Kingdom of God Finally part three of Let the Communion Commence reflects on the ultimate commencement the beginning of never ending life in the presence of our Creator Class is about to begin Please join me **Welcome to College 2nd ed** Jonathan Morrow,2017-03-28 The single best volume I have ever read for preparing students for how to follow Jesus and flourish as his disciple in college J P

Wisdom For The Journey Odella Glenn,2012-06-26 Wisdom for the Journey culminates years of periodic miscellaneous writing My desire to write spills over from my love for reading Between reading fascinating books and creating writing projects I began to say Someday I ll write a book Someday dragged on into years I finally chose a book title and began to write Pages of dated manuscript filed away in folders attest to my periodic bouts of writing Years go by without a completed manuscript It seems like the write a book dream had faded Then one day when I least expect it the write a book dream returns resuscitated and stronger than ever I hear a voice in my spirit say You have a book books to write before you sleep You must begin to write now Immediately I am moved to start over again and to forget the manuscript I had toyed around with for so long Wisdom for the Journey is the title that erupts from that voice With it comes a mandate Go all the way this time on to a published book Suddenly my self talk is activated and I say to myself Here I go again back to the writing track How many times have I been here before I must not allow history to repeat itself again When the self talk stops I realize that I need some way to ensure that I stay on course keep procrastination away and finish the book this time The idea floods my mind that making a writing vow to God would give me assurance I search the Bible for wisdom on making vows Many people of the Bible have made them Some of their vows have been foolishly made and produced unfavorable consequences The eleventh chapter of Judges records such a vow Jephthah a great warrior made a vow that results in the death of his only child Not wanting to make a mistake I search the scriptures for more wisdom Scriptures teach that vows are voluntary but very serious carry as much force as a written contract and are unbreakable Deut 23 21 23 Wisdom s bottom line is If you make a vow to God you must pay it The Lord demands it There are no excuses and no exceptions I carefully consider the biblical cautions and warnings about making a vow I prayerfully conclude that for me a vow is the assurance I need for getting the book finished So I make this vow to God Every day that you allow me to live I will write for at least one hour The writing sessions will continue daily until I have a completed manuscript ready for publishing Making that vow is the beginning of Wisdom for the Journey A few months into the writing sessions painful arthritis and carpal tunnel pain attack my hands and wrists I begin to think that its okay to quit now But I recognize that voice as Satan with a buyout package My response to him

is Get behind me Satan You must have lost your mind to suggest that I break my vow to God I recite biblical scriptures for strength and courage Galatians 6 9 reminds me that in due season we shall reap if we faint not In the meantime wearing arthritic gloves and carpal tunnel wrist braces I continue to write as I seek more wisdom I apply Romans 4 17 to the situation that says Call those things which be not as though they were And the wisdom of Job 22 28 that says Thou shall also decree a thing and it shall be established unto thee So believing and trusting God I pray Then I declare and decree that As I continue to write the manuscript my hands are healed and strengthened and I am anointed and empowered to finish writing the book The daily writing sessions continue as planned the manifestation takes place as decreed and Wisdom for the Journey is completed fulfilling the writing vow I made to God
