Fleeson, Carolyn M. Jones Medine, 2024-06-15. *Questing through the Riordanverse: Studying Religion with the Works of Rick Riordan* examines the works of Rick Riordan and explores how these works relate to Religion and Theology. Despite the success and popularity of the works, scholars have not given the Riordanverse as much attention as other Young Adult and Middle Grade fantasy books published during the first part of the Twenty First Century. This volume begins to address that vacuum, drawing from a number of fields including Psychology, Media Studies, Queer Theory and African American Studies to offer an interdisciplinary interpretation of Riordan's works and their impact on Religion and Theology. Contributors represent a diverse background, including perspectives from young scholars and students who grew up with the series to senior scholars considering where the series fits in the tradition of fantasy religion and literature. *The Enemy Series, Books 4-6*. Charlie Higson, 2015-10-29. They'll chase you. They'll rip you open. They'll feed on you. The Sacrifice Book 4. Small Sam and his unlikely ally The Kid have survived. They're safe with Ed and his friends at the Tower of London, but Sam is desperate to find his sister. Their search for Ella means Sam and The Kid must cross the forbidden zone. And what awaits them there is more terrifying than any of the horror they've suffered so far. The Fallen Book 5. The Holloway crew are survivors. They've fought their way across London and made it to the Natural History Museum alive, just. But the fight will never end while the Enemy lives. The kids at the museum are looking for a cure. All they need are medical supplies. To get them means a journey down unknown roads. Suddenly, it's not so clear who or what they're fighting. The Hunted Book 6. The others had promised that the countryside would be safer than the city. They were wrong. Now Ella's all alone, except for her silent rescuer Scarface, and she's not even sure if he's a kid or a grown-up. Back in London, Ed's determined to find her. But getting out of town's never been more dangerous because coming in the other direction is every SICKO in the country. **Rick Riordan Sue**
