PERILOUS CARGO

*Ruthless killers race to
find a stolen warhead...*

Perilous Cargo Executioner

Don Pendleton

Perilous Cargo Executioner:

Perilous Cargo Don Pendleton, 2015-03-03 HIDE AND SEEK The Himalayas become a deadly hunting zone when a nuclear warhead is stolen from a black market warehouse in Kathmandu. Knowing the incident could start World War III, the President sends Mack Bolan and a CIA operative to retrieve the weapon in the treacherous border region between Tibet and Nepal. But the U.S. isn't the only country in the search. Bolan and his ally are up against cunning Chinese and Russian assassins, and several local warlords are vying for the valuable nuke as well. These competing parties are determined to reach the weapon first, no matter how many witnesses they eliminate on the way. With few alternatives and the trail of innocent blood growing longer, Bolan accepts the help of an old spy. But can he be trusted? With the harsh mountain terrain working against them, the Executioner will need to rely on his wits to win this race, because coming in second is not an option.

Dark Savior Don Pendleton, 2015-11-03 SILENT KNIGHTS A key witness in a money laundering case gets cold feet before testifying and flees to a monastery in the Sierra Nevadas. But the cartel behind the scheme isn't about to let someone with that kind of information escape unharmed, and they dispatch hit men into the mountains. Mack Bolan, tasked with protecting the witness, barely reaches the Sierras ahead of the cartel killers. With an epic winter storm raging, Bolan will need to combine his combat and survival skills to prevent the thick monastery walls from becoming a prison. He can't control the weather, but with the monks fighting beside him, the Executioner is prepared to unleash a deadly blizzard of his own on the enemy.

Uncut Terror Don Pendleton, 2015-10-01 Diamonds Aren't Forever A legendary Kremlin assassin slaughters an American defector before he can be repatriated. Not about to let the murder go unpunished, Mack Bolan sets out to even the score. His first target is a Russian businessman with ties to organized crime, a man who was unexpectedly released from a Siberian prison. Bolan tracks him to the World Diamond Council meeting in New York City, where the Russians reveal their deadly endgame. Only one man can stop their scheme to crash the Western economy and kill hundreds of innocent people: the Executioner.

Killpath Don Pendleton, 2015-07-01 URBAN RETRIBUTION A powerful Colombian cartel goes too far when they torture and kill a DEA agent. Tasked with dismantling their operation and taking out their leader, Mack Bolan heads to Cali with an unlikely ally: a convicted murderer known as the Witch. The former cocaine dealer has an axe to grind with the cartel's kingpin, and she's willing to go along with Bolan's plan as long as they avenge her son's death in the process. But sending the woman in as bait works too well. Outnumbered and outgunned, the two will need more than their combat skills to dodge the bullets. If they're going to survive this Colombian street war, they'll have to trust each other and work as a team, even when it seems the end is near. The cartel may fear the Witch's revenge, but the Executioner will make them dread justice.

Final Assault Don Pendleton, 2015-12 Dead in the Water Not all publicity is good publicity. Especially when the fake hijacking of the world's first self-sustaining vessel turns into the real deal. With the ship and its cargo being auctioned off to terrorists, Mack Bolan must rescue the hostages and destroy the vessel before it falls into even more dangerous hands. Joining

Somali pirates on a raid gets Bolan on board but getting off alive won't be so easy. Mercenaries and criminal foot soldiers have taken over transforming the vessel into a minefield. Bolan will need to act quickly to take control and with the extraction window closing the Executioner is ready to turn this ship into the Titanic. **Syrian Rescue** Don Pendleton, 2015-09. Critical evacuation. A secret meeting with antigovernment leaders ready to negotiate peace in Syria backfires when the plane carrying UN diplomats to the war-torn country is shot down. Tasked with finding and extracting the diplomats before word of their disappearance gets out, Mack Bolan drops into the Syrian desert. But Bolan isn't the only one looking for the crash site. The rebels and the Syrian military each have their own agendas and UN officials would make valuable hostages for either side of the conflict. With the plane's tracking device mysteriously disabled and hundreds of miles of desert to search, Bolan is in a deadly race against fighters who are willing to make the ultimate sacrifice for their cause. The Executioner won't stop until he leaves his enemies in the dust of their own destruction. **Perilous Cargo** Don Pendleton, 2015-03-01. HIDE AND SEEK. The Himalayas become a deadly hunting zone when a nuclear warhead is stolen from a black market warehouse in Kathmandu. Knowing the incident could start World War III, the President sends Mack Bolan and a CIA operative to retrieve the weapon in the treacherous border region between Tibet and Nepal. But the U.S. isn't the only country in the search. Bolan and his ally are up against cunning Chinese and Russian assassins and several local warlords are vying for the valuable nuke as well. These competing parties are determined to reach the weapon first no matter how many witnesses they eliminate on the way. With few alternatives and the trail of innocent blood growing longer, Bolan accepts the help of an old spy. But can he be trusted? With the harsh mountain terrain working against them, the Executioner will need to rely on his wits to win this race because coming in second is not an option. **Kill Squad** Don Pendleton, 2016-03-08. ALL BETS ARE OFF. Nine million dollars goes missing from a Vegas casino and accountant Harry Sherman becomes the mob's scapegoat. Sherman's ready to spill everything to the Feds in exchange for his freedom, but his bosses are determined to shut him up forever. Protecting the moneyman proves too much for the Justice Department, leaving only one guy for the job: Mack Bolan. Soon Bolan's racing across the country to secure the fugitive Sherman before a team of hired killers catches up to him. Time is tight as every clue to the desperate man's whereabouts leads to a dead body and puts innocent lives in the line of fire. But when it comes to justice, the Executioner always has another card up his sleeve and he'll aim it straight at the enemy. **Blood Rites** Don Pendleton, 2015-06-01. BAD BLOOD. A gun battle between rival gangs terrorizes shoppers at a Miami mall, but Mack Bolan knows that cleaning up the mess in Florida is just the beginning. One gang's main operation leads back to Jamaica where its drug trafficking business is flourishing. And so is the practice of voodoo and human sacrifice. Infiltrating the gang on its own territory is a deadly challenge. With most of the island on the cartel's payroll or too afraid to come forward, Bolan's only ally is a Kingston police officer. But no matter the odds, the Executioner will do whatever it takes to bring down the drug lord and his army of killers. **Murder Island** Don Pendleton, 2015-08-04. Hunter's Snare. On an uncharted island in the Indian Ocean, a

psychotic hunter stalks the most dangerous prey man His newest target is an international arms dealer a criminal who was in CIA custody when his plane was shot down Sent in to locate the missing prisoner Mack Bolan finds himself caught in the same trap But Bolan isn't the only one trying to secure the arms dealer A team of mercenaries has joined the game and they're playing to win Hunted by the mercs a psychopath's army and the island's deadly animal life Bolan will need every tactic in his arsenal to recapture the prisoner and put an end to a maniac's big game hunt

Perilous Cargo Executioner Introduction

In today's digital age, the availability of Perilous Cargo Executioner books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Perilous Cargo Executioner books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Perilous Cargo Executioner books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Perilous Cargo Executioner versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Perilous Cargo Executioner books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Perilous Cargo Executioner books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Perilous Cargo Executioner books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Perilous Cargo Executioner books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Perilous Cargo Executioner books and manuals for download and embark on your journey of knowledge?

FAQs About Perilous Cargo Executioner Books

What is a Perilous Cargo Executioner PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Perilous Cargo Executioner PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Perilous Cargo Executioner PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Perilous Cargo Executioner PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Perilous Cargo Executioner PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on

Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
