New Faculty A Practical Guide For Academic Beginners:

New Faculty C. Lucas, John W. Murry, 2016-04-30 A useful compendium of survival advice for the faculty newcomer on a variety of subjects practical tips on classroom teaching student performance evaluation detailed advice on grant writing student advising professional service and publishing **New Faculty** C. Lucas, J. Murry, Jr., 2002-08-15 Successfully launching an academic career in the challenging environment of higher education today is apt to require more explicit preparation than the informal socialization typically afforded in graduate school As a faculty novice soon discovers job success requires balancing multiple demands on one's time and energy *New Faculty* offers a useful compendium of survival advice for the faculty newcomer ranging from practical tips on classroom teaching and student performance evaluation to detailed advice on grant writing student advising professional service and publishing Beginning faculty members and possibly their more experienced colleagues as well will find this lively guidebook both informative and thought provoking

The Essential College Professor Jeffrey L. Buller, 2009-11-19 *The Essential College Professor* is about the how and why of being a faculty member today Based on the author's series of highly successful faculty development workshops each chapter deals concisely with the most important information college professors need at their fingertips when confronted by a particular challenge or faced with an exciting opportunity Written both as a comprehensive guide to an academic career and as a ready reference to be consulted whenever needed *The Essential College Professor* emphasizes proven solutions over untested theories and stresses what faculty members have to know now in order to be successful in their careers Each chapter is concluded by a short exercise that faculty members can perform to help them for instance completely revise a course by restructuring the syllabus and course materials bring new life to a research project by reframing it as a book proposal or grant application and so on *Square Pegs and Round Holes* Fred A. Bonner II, Rosa M. Banda, Stella L. Smith, Aretha F. Marbley, 2023-07-03 Developing alternative student development frameworks and models this groundbreaking book provides student affairs practitioners as well as faculty with illuminating perspectives and viable approaches for understanding the development of today's diverse student populations and for building the foundation for their academic success and self authorship With the increasing number of adult working students minoritized multiracial LGTBQ and first generation students this book offers readers vital insights into and ways to interrogate existing practice and develop relevant responses to the needs of these populations Building on and critiquing the past frameworks and integrating the insights of contemporary scholarship on student development the contributors collectively put forward a robust theoretical and methodological foundation for this work using Critical Race Theory as their central frame CRT allows chapter authors to situate race related encounters at the center of their proposed alternative framework or model and deconstruct and challenge commonly held assumptions about diverse college student development In the tradition of CRT each author offers an alternative model or framework that can be applied to the diverse population upon which the chapter is framed

prompting readers to address such questions as Who are our college students What set of experiences do our students bring to the higher education context What role have their environments contexts i e home p 12 community family peer groups mentors played in our student s lives What impact have intervening variables i e race oppression power had on their experiences What strategies do they use to overcome developmental obstacles How do they define success and how they know they have achieved it By laying bare the experiences of these diverse college students that inform this volume s alternative frameworks this book contests that notion that they constitute square pegs that must fit into the round holes of traditional frameworks

Inspirational Women in Academia Natalia Kucirkova,Loleta Fahad,2022-12-27 Expert led interdisciplinary and international in scope this insightful book aims to increase the representation and leadership potential of women working in academia examining the intersection of multiple inequalities with a specific focus on gender age ethnicity and disability A carefully crafted response to educational inequalities the volume posits an invitation for dialogue around what it means to have success in higher education This book expands the reader s understanding of leadership in academia and the challenges specific to individual career pathways offering a plethora of practical tried and tested strategies that individuals and institutions can adopt to create a more equal and socially just academic climate Designed to encourage reflection on potential strategies and how they could be implemented the ten co authored chapters include first person narratives case studies inspired by interviews with academics and links and recommendations for further reading The personal accounts of the authors are enriched with those of other academics who have faced challenges in career progression Each chapter is structured as a conversation between the authors in relation to an inequality issue with a summary of scholarly literature and studies on the topic followed by strategies successfully applied in practice Strategies presented are firmly rooted in the everyday reality of working as a researcher higher education lecturer or academic administrator This book is ideal reading for any minority working in higher education interested in promotion processes equality and diversity in the workplace and mentoring It will also be of interest to providers of academic leadership courses organisations and institutions promoting gender equality in higher education supporting women s careers and improving the representation progression and success of Black Asian and Minority Ethnic BAME staff and students within higher education

Teaching and Learning at Business Schools Pär Mårtensson,Magnus Bild,2016-04-01 Business schools are facing ever increasing internationalization students are far less homogenous than before faculty members come from different countries and teaching is carried out in second or even third languages As a result business schools and their teachers wrestle with new challenges as these changes accelerate Teaching and Learning at Business Schools brings together contributions from business school managers and educators involved in the International Teachers Programme a faculty development programme started by Harvard Business School more than 30 years ago and now run by a consortium of the London Business School Manchester Business School Kellogg Stern School of Business INSEAD HEC Paris IAE Aix en Provence IMD SDA

Bocconi Milan and Stockholm School of Economics The book tackles themes both within the classroom teaching across different contexts and cultures and outside the classroom leading and developing business schools designing and running programmes developing faculty members The authors provide direction ideas and techniques for transforming business education that are accessible to everyone **Over Ten Million Served** Michelle A. Massé, Katie J. Hogan, 2012-02-01 All tenured and tenure track faculty know the trinity of promotion and tenure criteria research teaching and service While teaching and research are relatively well defined areas of institutional focus and evaluation service work is rarely tabulated or analyzed as a key aspect of higher education's political economy Instead service silent and invisible coexists with the formal official economy of many institutions just as women's unrecognized domestic labor props up the formal official economies of countries the world over Over Ten Million Served explores what academic service is and investigates why this labor is often not acknowledged as labor by administrators or even by faculty themselves but is instead relegated to a gendered form of institutional caregiving By analyzing the actual labor of service particularly for women and racial ethnic and sexual minorities contributors expose the hidden economy of institutional service challenging the feminization of service labor in the academy for both female and male academic laborers **Universities and Colleges** David Palfreyman, Paul Temple, 2017-12-15 What is a university What is the University How have universities evolved over the centuries How might they change over the coming decades as the physical and organisational entity most identified with higher education being delivered to over 250 million students What will be the impact of digital and distance learning of commercial for profit new entrants to the higher education market of government austerity of globalization of student consumerism Exploring the origins and the concept the idea and the ideal of the university this Very Short Introduction discusses one of the world's oldest most resilient and most adaptable institutions David Palfreyman and Paul Temple consider the links between universities and the economy and the role of universities within society Highlighting some of the key questions surrounding the position of universities they ask how the university can be politically accountable for its taxpayer funding if it needs to be autonomous to function effectively as a public good Are professors professional enough in their teaching practices at a time that increasing tuition fees transform students more and more into consumers And just what does academic freedom for university faculties really entail ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Effective College and University Teaching** William Buskist, 2012 Using empirical research this text gives faculty and graduate teaching assistants the tools for understanding why certain teaching practices work and how to adjust their teaching to changing classroom room and online environments Faculty Mentoring Susan L. Phillips, Susan T. Dennison, 2023-07-03 Faculty mentoring programs greatly benefit the institutions that have instituted them

and are effective in attracting and retaining good faculty Prospective faculty members commonly ask about mentoring at on campus interviews and indicate that it is a consideration when choosing a position Mentoring programs also increase the retention rate of junior faculty greatly reducing recruitment costs and particularly help integrate women minority and international faculty members into the institution while providing all new hires with an orientation to the culture mission and identity of the college or university The book provides step by step guidelines for setting up planning and facilitating mentoring programs for new faculty members whether one on one or using a successful group model developed and refined over twenty five years by the authors While it offers detailed guidance on instituting such programs at the departmental level it also makes the case for establishing school or institutional level programs and delineates the considerable benefits and economies of scale these can achieve The authors provide guidance for mentors and mentees on developing group mentoring and individual mentor prot g relationships the corresponding chapters being available online for separate purchase as well as detailed outlines and advice to department chairs administrators and facilitators on how to establish and conduct institution wide group mentoring programs and apply or modify the material to meet their specific needs For training and faculty development purposes we also offer two chapters as individual e booklets Each respectively provides a succinct summary of the roles and expectations of the roles of Mentor and Mentee Faculty Mentoring Mentor GuideFaculty Mentoring Mentee GuideThe booklets are affordably priced and intended for individual purchase by mentors and mentees and are only available through our Web site
