Never Say No To A Killer:

Never Say No Jackie Adams, 2025-05-20 Annie is a single author who puts out bestsellers one after the next in her small town of Cobbleville She is content in her world with her best friends Kibble and Bruno her pet dogs She loves her life and loves writing so what happens to put her happy lifestyle in jeopardy Tristan is a car mechanic who is single but who soon loses his job at Roy's Garage in the big city where he lives about an hour from his hometown Cobbleville He bumps into Annie and is brought back to his childhood memories when their dads often met with one another He remembers Annie's dad bragging about his valuable gun collection that he would leave to her as an inheritance Now that Tristan is hard up for money is he tempted to pull a gun heist and steal Annie's father's guns Follow this journey and see what poor Annie is headed for by the trick that Tristan has up his sleeve Never Say Murder Geoffrey Walters, 2005-09 Never Tell Stacey Abrams, 2004-06-14 A thrilling psychological romance written by Stacey Abrams under the penname Selena Montgomery who became the first black woman in the US nominated by a major party to run for governor Criminal psychologist Dr Erin Abbott wants nothing more than to live a quiet life That means no danger no intrigue and absolutely no romance But when Erin suspects a serial killer is roaming New Orleans her investigation throws her straight into the arms of the only man who can help her Journalist Gabriel Moss is hot to find his next huge story and he knows Erin is on to something big From the moment they meet Gabriel senses that Erin is hiding something One thing is certain Erin's boxy suits and sensible shoes hide a delicate beauty waiting to emerge and Gabriel is just the man to reveal the woman inside As they join forces to find the killer Gabriel slowly seduces Erin with his soft kisses But Erin knows their love can never be For she is hiding a terrible secret and if Gabriel reveals the truth Erin's life will be shattered forever *No Murder Here* Howard of Warwick, 2024-02-29 5 Absolutely brilliant as always 5 So well written so entertaining and amusing 5 A great read from start to finish There is no murder here And even if there was under no circumstances is Brother Hermitage King William's investigator to be allowed anywhere near it This is a very sensitive matter for the Duke of Normandy now King of England and he wants it dealt with properly He doesn't want a band of Saxon idiots trampling all over the place offending everyone But in a far off outpost of the duchy an ancient ritual has been enacted which immediately went horribly wrong Someone must be sent to find out what happened and who is behind it Negotiating the way through scheming and feuding locals will demand sensitivity Untangling superstition from fact will require careful analysis Appreciating custom and practice will need a sympathetic ear And you'll need to speak the right language obviously So this is really not a job for Brother Hermitage It's probably even more inappropriate for the weavers Wat and Cwen the woman who stares at people and the man who made those disgusting pictures Keep them away However the more explicit the instruction the greater the chance of mistake In any case there is no murder here Oh really **Double Trouble** Sheldon Jaffery, 1992-01-01 It was the 1950s in postwar America and paperback books were the hot new product in the publishing industry Of course to stand out from the crowd and sell one needed a

gimmick Into this newly exuberant market came a publishing house named Ace Books with the seductive promise of two books for the price of one It also had the eye catching premise of two separate covers joined at the spine like Siamese twins Finished with one book Flip the paperback over and begin again with a new novel complete with its own package It was something completely different and it sold Double Trouble tours the short yet popular era of the Ace Mystery Doubles and includes both author title and title indexes for easy reference
