Navy Eval And Fitrep Writing Guide:

The Naval Institute Guide to Naval Writing, 4th Edition Christopher E Crane, Estate of Robert E Shenk, 2024-06-01
With updates to every chapter this new fourth edition serves as the premier guide to professional writing for the naval services. Authored by a naval officer who taught English at two service academies, the book is widely used by officers, enlisted men and women, and civilians in both the Navy and Marine Corps. Shenk provides sound practical advice on all common naval writing assignments across digital and print platforms. Fully revised, the book reflects the changing landscape of professional communication in general and changes in naval culture in the last decade across the fleet, making it an essential guide.

Drewry, 1984 Enlisted Evaluation Writing Guide, 2000 **Managing Diversity in the Military** Mickey R. Dansby, James B. Stewart, Schuyler C. Webb, 2012
Although diversity is a twentieth-century term, as the United States continues through the twenty-first century, the issue of diversity in society and in organizations is becoming more complex. *Managing Diversity in the Military* addresses current equal opportunity and diversity issues and explores how the military is attempting to resolve them. The research presented reflects the interests of scholars from various backgrounds who use different models, approaches, and methodologies, many of which are adapted from the study of civilian institutions. The work is divided into five sections: Contemporary Approaches to Managing Diversity, Diversifying Leadership, Equity in Evaluation and Promotion, Gender Integration and Sexual Harassment, Military Discipline and Race, and Where Do We Go from Here, which proposes future research directions for equal opportunity and diversity management in the armed forces. All of the areas explored in this accessibly written volume have counterparts in the civilian sector. The book offers insights, practical methodologies, and effective management guidelines for commanders, civilian sector executives, and human resource practitioners responsible for equal opportunity programs and outcomes. This is now the standard social research tool in an area of profound practical concerns. **Navy Staff Officer's Guide** Dale C. Rielage, 2022-11-15
Continuing the tradition of Naval Institute Blue and Gold series classics such as *Command at Sea* and *The Watch Officer's Guide*, the *Navy Staff Officer's Guide* will equip naval leaders for success in the challenging professional environment of a Navy staff. Navy staffs build and equip the Navy, plan its future, and guide its current operations. During a staff tour, a savvy Navy leader can have positive reach beyond the lifelines of a single command with impact across the fleet and years into the future. Staff duty emphasizes a different set of tools from those typically employed in sea duty billets. It has its own formal and informal expectations and its own opportunities, challenges, and pitfalls. This guide provides and explains those tools and marks the shoals that can wreck the unaware, enabling both new and seasoned staff officers to be prepared for the unique requirements of staff duty.
