Samuel Johnson And The Life Of Reading:

Samuel Johnson and the Life of Reading Robert DeMaria Jr.,1997-04-21 In *Samuel Johnson and the Life of Reading* Robert DeMaria considers the surprising influence of one of the greatest readers in English literature Johnson's relationship to books not only reveals much about his life and times DeMaria contends but also provides a dramatic counterpoint to modern reading habits As a superior practitioner of the craft Johnson provides a compelling model for how to read indeed he provides different models for different kinds of reading DeMaria shows how Johnson recognized early that not all reading was alike some requiring intense concentration some suited for cursory glances some requiring silence some best appreciated amid the chatter of a coffeehouse Considering the remarkable range of Johnson's reading DeMaria discovers in one extraordinary career a synoptic view of the subject Enacts Johnson's celebrated variation on a theme from Horace it does not merely delight and instruct but rather instructs by delighting us DeMaria proves himself a reader altogether worthy of his subject Times Literary Supplement Fascinatingly perceptive both of Johnson's own reading habits and of their significance in the cultural history of reading Modern Language Review Both a scholarly and an imaginative achievement combining detailed detective work abstract categorization and sympathetic understanding The finished product re-creates the detailed fabric of Johnson's reading career while locating it in a cultural landscape of rapid publication and growing literacy Eminently readable learned and thoughtful Modern Philology An intellectual history of the writer and his age Magill's Literary Annual DeMaria presents an imaginative re-creation of Johnson's library and suggests how his reading habits offered a model for preventing the disappearance of the reader Biblio **The Life of Samuel Johnson, LL.D.** James Boswell,1791

descriptions of life and who are mentioned in a manner that seems to indicate some connexion between them were Henry and his sister Sally Fielding as she was then popularly called Fielding had previously been a periodical essayist and certainly was well acquainted with life in all its varieties more especially within the precincts of London and his sister was a lively and ingenious writer To this notion perhaps it may be objected that no papers in *The Adventurer* are known to be their productions But it should be remembered that of several of the Essays in that work the authors are unknown and some of these may have been written by the persons here supposed to be alluded to Nor would the objection be decisive even if it were ascertained that neither of them contributed any thing to *The Adventurer* for the treaty above mentioned might afterwards have been broken off The negotiator doubtless was Hawkesworth and not Johnson Fielding was at this time in the highest reputation having in 1751 produced his *Amelia* of which the whole impression was sold off on the day of its publication Ma Lone I hope this proposal will not be rejected and that the next post will bring us your compliance I speak as one of the fraternity though I have no part in the paper beyond now and then a motto but two of the *The Life of Samuel Johnson, LL.D.* James Boswell, 1820 *The Life of Samuel Johnson* James Boswell, 1957
