La Nostra Costa (Our Coast) Ivano Franco Comelli, 2006-02-28

I work everyday in these fields I am ankle deep in mud all I smell is pattume and in a couple of hours il vento will blow dirt and debris in my face Next month the rains will come they will soak me through and I will have to carry those wet sprout sacks up and down these muddy rows I work ten to twelve hours every day for very little money My young son is sick and I cannot pay the doctor My young wife is pregnant and our second baby is on its way Where will I get the money to feed another mouth I promised my beautiful wife an easy life in America all she got was hard work and desperate times If there is a God up there why doesn t he show himself Why doesn t he make my son well Why doesn t he help me I need more money O God if you are up there why don t you wave your hand and make things better for me Not really expecting an answer the rancere lowered his head and with his shavola slowly returned to working the soil Then from out of the thick eerie mist he thought he heard someone perhaps a woman say in a soft and gentle voice O rancere mi Don t you know You live su per la costa not Heaven
