Meditations on First Philosophy René Descartes,1993-10-01 Descartes s Meditations on First Philosophy the fundamental and originating work of the modern era in Western philosophy is presented here in Donald Cress s completely revised edition of his well established translation bringing this version even closer to Descartes s original while maintaining its clear and accessible style Descartes: Meditations on First Philosophy René Descartes,2017-02-16 This is an updated edition of John

Cottingham s acclaimed translation of Descartes s philosophical masterpiece including an abridgement of Descartes s Objections and Replies Meditation on First Philosophy Rene Descartes,2012-11-01 The book is made up of six meditations

in which Descartes first discards all belief in things which are not absolutely certain and then tries to establish what can be known for sure The meditations were written as if he were meditating for 6 days each meditation refers to the last one as yesterday *Meditations on First Philosophy* Rene Descartes,2021-11-13 Meditations on First Philosophy Rene Descartes

Descartes,2008-05-08 It is some years now since I realized how many false opinions I had accepted as true from childhood onwards I saw that at some stage in my life the whole structure would have to be utterly demolished In Descartes s Meditations one of the key texts of Western philosophy the thinker rejects all his former beliefs in the quest for new certainties Discovering his own existence as a thinking entity in the very exercise of doubt he goes on to prove the existence of God who guarantees his clear and distinct ideas as a means of access to the truth He develops new conceptions of body and mind capable of serving as foundations for the new science of nature Subsequent philosophy has grappled with Descartes s legacy questioning many of its conclusions and even his basic approach but his arguments set the agenda for many of the greatest philosophical thinkers and their fascination endures This new translation includes the Third and Fourth Objections and Replies in full and a selection from the rest of these exchanges with Descartes s contemporaries that helped to expound his philosophy ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Meditations On The First Philosophy**
