JUDITH MANN

Medieval Gnostics The Paulicians

David K. Stabnow

Medieval Gnostics The Paulicians:

Heretics and Scholars in the High Middle Ages, 1000-1200 Heinrich Fichtenau, 2010-11-01 The struggle over fundamental issues erupted with great fury in the eleventh and twelfth centuries In this book preeminent medievalist Heinrich Fichtenau turns his attention to a new attitude that emerged in Western Europe around the year 1000 This new attitude was exhibited both in the rise of heresy in the general population and in the self confident rationality of the nascent schools With his characteristic learning and insight Fichtenau shows how these two separate intellectual phenomena contributed to a medieval world that was never quite as uniform as might appear from our modern perspective *The Gnostics and Their Remains* Charles William King, 1864 [Churchfails](#) David K. Stabnow, 2016-05-01 churchfails is a collection of 100 articles describing people who claim to be Christians doing foolish things Each article will include a picture of the subject From the Introduction Groucho Marx once said I refuse to join any club that would have me as a member If Christianity is a club it has featured innumerable inglorious members As abashed affiliates of said club what can we do We can try to deny our past and present peccadilloes but covering up a crime is like poking a polecat it s worse in the end So we can rant and rave or we can laugh and learn This book settles on the second strategy **Christianity: the One, the Many** John F. Nash, 2008-02-14 What is Christianity Who was Jesus Christ What relevance does Christianity have in a post Christian age Why are there so many Christian sects and what are the prospects for bringing them together Does Christianity have a future Am I a Christian Are you The two volumes of Christianity the One the Many offer encouraging answers and options for modern spiritual seekers This first volume focuses on the life and teachings of Jesus and the evolution of Christianity over its first millennium The institutional church of the Middle Ages imposed standardized beliefs and practices in place of the spontaneity and pluralism of apostolic times But standardization was never complete and alternative religious forms survived The Gnostic Celtic Coptic and Cathar Churches represent important variants Finally in the 11th century mainstream Christianity split into western and eastern branches The organizational structure clerical roles doctrines and religious practices of the medieval church are studied in some detail laying groundwork for the examination of western Christianity in Volume 2 The major variants are discussed as well as the development of the Eastern Orthodox Churches through modern times The exploration of religious forms that may be less familiar to western readers provides a glimpse into how Christianity as a whole might have developed and directions it could take in the future Insertion of little known facts helps bring the historical survey alive A masterpiece of research insight and faith A must read for believers and nonbelievers alike Now I know theres a place in Christianity for me **Gnosis and Hermeticism from Antiquity to Modern Times** R. van den Broek, Wouter J. Hanegraaff, 1998-01-01 This volume introduces what has sometimes been called the third component of western culture It traces the historical development of those religious traditions which have rejected a world view based on the primacy of pure rationality or doctrinal faith emphasizing instead the importance of inner enlightenment or gnosis a

revelatory experience which was typically believed to entail an encounter with one's true self as well as with the ground of being God. The contributors to this book demonstrate this perspective as fundamental to a variety of interconnected traditions. In Antiquity one finds the gnostics and hermetics in the Middle Ages several Christian sects. The medieval Cathars can to a certain extent be considered part of the same tradition. Starting with the Italian humanist Renaissance hermetic philosophy became of central importance to a new religious synthesis that can be referred to as Western Esotericism. The development of this tradition is described from Renaissance hermeticists and practitioners of spiritual alchemy to the emergence of Rosicrucianism and Christian theosophy in the seventeenth century and from post enlightenment aspects of Romanticism and occultism to the present day New Age movement.

The Medieval Manichee Steven Runciman, 1961
 Traces the history of the Dualist Tradition in Christianity from its Gnostic beginnings to its final florescence in the later Middle Ages.

The Gnostics Andrew Phillip Smith Author, 2012-01-03
 The Gnostics is a one stop guide to everything you need to know about this mystical movement that teaches knowledge of God rather than unquestioning faith.

The Gnostic World Garry W. Trompf, Gunner B. Mikkelsen, Jay Johnston, 2018-10-03
 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today. These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary. The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam. This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history.

The Gospel of Jesus John Davidson, 2005
