

REVENGE TRAGEDY

Aeschylus to Armageddon

John Kerrigan

Revenge Tragedy Aeschylus To Armageddon

Derek Dunne

Revenge Tragedy Aeschylus To Armageddon:

Revenge Tragedy John Kerrigan, 1996 Revenge has long been a central theme in Western culture From Homer to Nietzsche from St Paul to Sylvia Plath major writers have been fascinated by its emotional intensity and by the questions it raises about the nature of justice violence sexuality and death John Kerrigan employs both wide ranging historical analysis and subtle attention to individual texts to explore the culture of vengeance in several languages and genres Thus he shows how evolving attitudes to retribution have shaped and reconstituted tragedy in the West and elucidates the remarkable capacity of this ancient theme to generate innovative works of art Although this book is a literary study it makes use of anthropology social theory and moral philosophy As a result it will be of interest to students in a variety of disciplines as well as to the general reader

Revenge Tragedy John Kerrigan, 1996 In this learned and lively book John Kerrigan explores the literature of vengeance from Greek tragedy to postmodernism ranging through material in several languages as well as through opera painting and film while opening new perspectives on such familiar English works as Hamlet

Revenge Tragedy Stevie Simkin, 2017-03-14 Revenge has been an issue in all societies from ancient times to the present day In western culture the revenge plot has been one of the linchpins of narrative structure it is central to much Greek tragedy and was immensely popular in Elizabethan and Jacobean theatres In this volume Stevie Simkin has collected essays on five plays which are representative of this genre The Spanish Tragedy The Revenger's Tragedy The Changeling The White Devil and 'Tis Pity She's a Whore These plays are a rich source of ideas about Renaissance society and politics recurrent issues include sexuality the complex relations of gender and power and the relationship between the individual and the state The collection as a whole demonstrates a variety of recent critical approaches to the genre including feminist psychoanalytic new historicist and cultural materialist viewpoints inspiring students to revisit these plays and to engage directly with the politics of the past and present and the ways in which they interrelate

Shakespeare, Revenge Tragedy and Early Modern Law Derek Dunne, 2016-04-12 This book the first to trace revenge tragedy's evolving dialogue with early modern law draws on changing laws of evidence food riots piracy and debates over royal prerogative By taking the genre's legal potential seriously it opens up the radical critique embedded in the revenge tragedies of Kyd Shakespeare Marston Chettle and Middleton

Revisiting Revenge Tragedy Adam Hansen, Marco Prandoni, Cornelis van der Haven, 2024-12-02 Revisiting Revenge Tragedy explores one of the most popular and influential genres of early modern theatre Revenge tragedies resonated with audiences and authors because of their explicit and often horrific depictions of political instability religious violence and affective distress In innovative and provocative ways this book situates the political religious and affective dimensions of such plays within the transnational dynamics of their inception and dissemination across a conflicted Europe raising questions for us now about authority tyranny and justice Moreover detailed case studies demonstrate how depicting revenge questioned or evinced sometimes radical sexual cultural and political identities and positions Contributors include Karoline Johanna

Baumann Sarah I Fengler Anne Graham Adam Hansen Tom Laureys Vanessa Lim Marco Prandoni Cornelis van der Haven Tim Vergeer Helen Watanabe O Kelly and Dinah Wouters Four Revenge Tragedies Thomas Kyd, John Ford, John Webster, 2014-05-08 Francis Bacon described revenge as a kind of wild justice Then as now early modern playwrights and their theatre going public were fascinated by the anarchic energies that a desire for retribution unleashes Rather than rehearsing familiar conventions each of these plays presents a unique social and cultural milieu where dark fantasies of revenge are variously played out In Kyd's *The Spanish Tragedy* a grieving father seeks public justice for the murder of his son by envious princelings When his attempts are thwarted he turns a court spectacle of murder into the real thing Blackly comic in its tone and style *The Revenger's Tragedy* anon presents vengeance as mimetic art witty and cruel Ford's *Tis Pity She's a Whore* represents an innovative reworking of the genre as a brother's love for his sister leads to his spectacular revenge on his rival her husband in a society in which brutal retaliation for perceived wrong is the norm In Webster's *The White Devil* crimes of passion ignite revenge in the courts of the Italian city states This student edition contains fully annotated modernized texts of each play together with an introduction discussing the dramatic and poetic style of each play focusing on its action and play of ideas **Revenge Tragedy and the Drama of Commemoration in Reforming England** Thomas Rist, 2008 Considering major works by Kyd Shakespeare Middleton and Webster among others this book transforms current understanding of early modern revenge tragedy Revising the genre in light of historical revisions to England's Reformations and with appropriate regard to the social history of the dead it shows revenge tragedy is not a Reformist and anti Catholic genre but one rooted in traditional Catholic culture thereby transforming understandings of the theatre of the age Origins of English Revenge Tragedy Oppitz-Trotman George Oppitz-Trotman, 2019-05-15 Investigates the figures and materials of English tragedy Key Features Establishes a new approach to the relationship between historical performance and printed literature Complicates the popular concept of metatheatre Offers boldly original readings of important English tragedies like *Hamlet* and *The Spanish Tragedy* Shows how our encounter with difficulty in the reading of revenge plays can be equivalent to an imaginative confrontation with the contradictions of early modern theatrical action Charting a new course between performance studies and literary criticism this book explores how recognition of the dramatic person is involved in theatrical materiality It shows how the moral difficulty of revenge in plays like *The Spanish Tragedy* *Hamlet* and *The Duchess of Malfi* is inseparable from the difficulty of discerning human shapes in the theatre and on the page Intervening in a wide range of current debates within early modern studies Oppitz Trotman argues that the origins of English tragic drama cannot be understood without considering how the common player appears in it *Gothic in Revenge Tragedies* Dr. M. Sai Krithika, 2017-07-18 The word Gothic has connotations of violence and grotesqueness The popular Gothic elements are blood and gore unnatural and supernatural occurrences eerie passages mystery haunted castles ghosts perambulating skeletons numerous death in a gory manner Byronic love passion and revenge As Virginia Woolf rightly

calls them they are the strange human need for feeling afraid It is the Hyde in every Jekyll that makes one take to the gothic The British Revenge Tragedies embedded with these elements serve as forerunner of the gothic genre In The Jew of Malta we find the barbaric scheming Machiavellian Barabas that plots the evil actions in the play that leads to mass graves and eventually himself being burned alive in a cauldron In The Spanish Tragedy Andrea s ghost and Revenge discovery of the mangled body of Horatio and the blood stained handkerchief letter written with blood and Hieronimo cutting out his tongue are the major Gothic elements In Hamlet the ghost of Hamlet s father the violent stabbing of Polonius the grave digger s eulogizing death and the introduction of Yorick s skull never fail in creating chills down the spine of any reader Ian Jack observes on Webster s plays that The White Devil and The Duchess of Malfi have no other purpose other than making the audience s flesh creep Thus gothic as a genre has been strongly haunting literature and would still continue to haunt not only literature but also life

Performing Ethics in English Revenge Drama Noam Reisner, 2024-06-27 An investigation of how Renaissance English revenge drama carried out important ethical work through audience participation and metatheatre
