Revolutionists Handbook Pocket Companion:

Revolutionist's Handbook and Pocket Companion Bernard Shaw, 2019-11-27 In *Revolutionist's Handbook and Pocket Companion* Bernard Shaw presents an incisive critique of social norms and an impassioned advocacy for revolutionary thought. This seminal work blends Shaw's characteristic wit and clarity with profound philosophical insights, serving as both a manifesto for change and a practical guide for those seeking to embrace radicalism. Written in a conversational style, the text is rooted in the context of the early 20th century, tackling issues such as class struggle, capitalism, and the moral dilemmas inherent in societal transformation. Bernard Shaw, a pivotal figure in the literary and political landscape of his time, was deeply influenced by the socio-economic upheavals around him. His experiences in the Fabian Society and engagement with socialist ideals shaped his belief in the necessity of revolution for societal improvement. Shaw's unique blend of humor and intellectual rigor encourages readers to critically examine their own beliefs and the status quo, reflecting a lifetime of questioning and activism. This book is essential for anyone interested in the intersection of literature and politics, providing not only an engaging read but also a source of inspiration for those eager to instigate change. George Bernard Shaw, 2010-08-07 Large Print 13 point font A satirical look yet practical look at revolutions and their outcomes. The art of government is the organization of idolatry. The bureaucracy consists of functionaries, the aristocracy of idols, the democracy of idolaters. **The Revolutionist's Handbook & Pocket Companion** Bernard Shaw, 1962*

Revolutionist's Handbook and Pocket Companion Bernard Shaw, 2014-05-18 A revolutionist is one who desires to discard the existing social order and try another. The constitution of England is revolutionary. To a Russian or Anglo-Indian bureaucrat a general election is as much a revolution as a referendum or plebiscite in which the people fight instead of voting. The French Revolution overthrew one set of rulers and substituted another with different interests and different views. That is what a general election enables the people to do in England every seven years if they choose. Revolution is therefore a national institution in England and its advocacy by an Englishman needs no apology. **The Revolutionist's Handbook and Pocket Companion** Bernard Shaw, 2012
