

Why read?

Prisoners Without Trial

By Roger Daniels

Our community of 9,000+ authors share why this is one of their favorite books.

Prisoners Without Trial

Bharat Bhushan Pareek

Prisoners Without Trial:

Prisoners Without Trial: Japanese Americans in World War II Roger Daniels, 2019-08-09 Well established on college reading lists Prisoners Without Trial presents a concise introduction to a shameful chapter in American history the incarceration of nearly 120 000 Japanese Americans during World War II With a new preface a new epilogue and expanded recommended readings Roger Daniels s updated edition examines a tragic event in our nation s past and thoughtfully asks if it could happen again A concise deft introduction to a shameful chapter in American history the incarceration of nearly 120 000 Japanese Americans during World War II Publishers Weekly More proof that good things can come in small packages Daniels tackle s historical issues whose consequences reverberate today Not only does he offer cogent overviews of the issues but he is willing to climb out on a critical limb for instance writing about the incarceration of Japanese Americans during WW II this book has tried to explain how and why the outrage happened That is the role of the historian and his book which is to analyze the past But this historian feels that analyzing the past is not always enough and so he takes on the question of could it happen again and concludes that there s an American propensity to react against foreigners in the United States during times of external crisis especially when those foreigners have dark skins and that Japanese Americans at least would argue that what has happened before can surely happen again Kirkus Reviews An outstanding resource that provides a clear and concise history of the mass incarceration of Japanese Americans during World War II Alice Yang Murray University of California Santa Cruz Especially in light of the events following September 11 2001 Roger Daniels has done us a great favor In a slender book he tells with the assurance of a master narrator an immense story we all of us ignore at the peril of our freedoms Gary Y Okihiro Columbia University No book could be more timely How as a different immigrant minority is under racial pressure associated with a feared enemy the updated Prisoners Without Trial helps us see clearly what lessons we may draw from the past Paul Spickard author of Japanese Americans In the epilogue to the first edition of Prisoners without Trial Roger Daniels thoughtfully asked Could it happen again Today in post 9 11 America that question has an answer It can and it has Daniels addresses these issues in a revised edition of this classic and he finds the U S government perilously close to repeating with the Arab American population mistakes it made with the Japanese Americans Johanna Miller Lewis University of Arkansas at Little Rock

Judgment Without Trial Tetsuden Kashima, 2011-10-17 2004 Washington State Book Award Finalist Judgment without Trial reveals that long before the 1941 attack on Pearl Harbor the U S government began making plans for the eventual internment and later incarceration of the Japanese American population Tetsuden Kashima uses newly obtained records to trace this process back to the 1920s when a nascent imprisonment organization was developed to prepare for a possible war with Japan and follows it in detail through the war years Along with coverage of the well known incarceration camps the author discusses the less familiar and very different experiences of people of Japanese descent in the Justice and War Departments internment camps that held internees from the continental U

S and from Alaska Hawaii and Latin America Utilizing extracts from diaries contemporary sources official communications and interviews Kashima brings an array of personalities to life on the pages of his book those whose unbiased assessments of America s Japanese ancestry population were discounted or ignored those whose works and actions were based on misinformed fears and racial animosities those who tried to remedy the inequities of the system and by no means least the prisoners themselves Kashima s interest in this episode began with his own unanswered questions about his father s wartime experiences From this very personal motivation he has produced a panoramic and detailed picture without rhetoric and emotionalism and supported at every step by documented fact of a government that failed to protect a group of people for whom it had forcibly assumed total responsibility

Inhuman Conditions: The Struggle for Dignity in India's Prisons Bharat Bhushan Pareek, 2024-08-14 Prisoners and Prisons in India is an in depth exploration of the conditions within India s prison system emphasizing the human rights of prisoners and the legal framework governing their treatment The book provides a comprehensive analysis of the historical evolution of prisons in India highlighting the various challenges that persist in the modern era such as overcrowding inadequate healthcare and the systemic issues that often lead to the violation of prisoners rights At the core of this book is a detailed examination of the landmark Supreme Court case Re Inhuman Conditions in 1382 Prisons which serves as a pivotal moment in India s judicial history This case brought to light the appalling conditions in Indian prisons and led to a series of orders aimed at reforming the system The book meticulously presents the full text of these Supreme Court orders offering readers an authoritative source of legal directives that have shaped the current prison reform landscape Key topics covered in the book include Legal and Constitutional Framework An overview of the constitutional rights of prisoners the relevant acts and regulations like the Prison Act of 1894 and the significance of the Model Prison Manual 2016 Supreme Court s Directives A chronological account of the Supreme Court s directives issued in response to the inhuman conditions in Indian prisons with full text orders included for reference Prison Conditions A critical analysis of the current state of Indian prisons addressing issues such as overcrowding health and hygiene custodial violence and the lack of basic amenities Life Inside Prisons Insights into the daily life of prisoners including rehabilitation programs the plight of undertrial prisoners and the unique challenges faced by women and juvenile detainees Prison Reforms An examination of the efforts made to reform the prison system in India including government initiatives the role of NGOs and the challenges of implementing sustainable changes Comparative Analysis A look at how India s prison system compares with those of other countries drawing lessons from international standards and best practices Future Directions The book concludes with thoughtful recommendations for policymakers legal practitioners and civil society on how to continue the momentum of prison reforms to ensure the dignity and rights of all prisoners are upheld This book is an essential resource for legal professionals human rights activists policymakers and anyone interested in the justice system It not only serves as a legal reference but also as a call to action for continuous improvement in the treatment of prisoners emphasizing the

importance of upholding human dignity within the criminal justice system With its comprehensive coverage and detailed presentation of the Supreme Court's interventions *Prisoners and Prisons in India* stands as a significant contribution to the discourse on human rights and prison reform in India *Prisoner without a Crime. Disciplining Dissent in Ahidjo's Cameroon* Albert W. Mukong, 2009 Doughty human rights crusader Albert Mukong was incarcerated for six years in some of Cameroon's worst detention centres under the despotic regime of late President Amadou Ahidjo This book details his personal account of the discipline and punishment that the Cameroonian state has systematically dished out to dissidents who have dared to stand their ground Until his death in 2004 Albert Mukong was without doubt Anglophone Cameroon's most conspicuous political prisoner spokesperson and champion human rights advocate The particular detention he recounts in this book is evidence of how nationalists such as Ruben Um Nyobe Ernest Ouandie Bishop Ndongmo and others have in their struggles sacrificed enormously so that freedom and democracy might see the light of day in their reluctant Cameroon

Social Movements and Global Social Change Robert K. Schaeffer, 2014-02-06 *Social Movements and Global Social Change* teaches students not only about how social change occurs but also how social movements can contribute to this change The book links two concepts in sociology that are often related in real life but that can seem disconnected in traditional approaches to teaching these courses The book examines different types of social movements including those often ignored in social change textbooks such as riots migration and disorganized protest It also looks at citizens' rights and inequality in connection to social movements and change The book features global perspectives and examples throughout

Prisoners and Human Rights Dr Upendra Nath Dubey, 2023-07-12 The concept of Human Rights is as old as the existence of mankind on this earth These rights were known by different names at different times This book presents thorough knowledge about Human Rights of the Prisoners and it is perhaps the first book of its kind The book is significant from the point of view of lawyers Judges researchers NGOs and all other persons related to protection and promotion of Human Rights of the prisoners at large It may help the Government in introducing changes in its policies so as to provide better treatment to the prisoners The readers can apply findings of the study in India and abroad while doing any work regarding protection and promotion of Human Rights of the prisoners It also deals with the problems which are being faced by different kinds of prisoners Any right will become redundant if there is no machinery for enforcement *The New Deal's War on the Bill of Rights* David T. Beito, 2023-10-10 Spying on citizens Censoring critics Imprisoning minorities These are the acts of dictators not American presidents Or are they The legacy of President Franklin D Roosevelt enjoys regular acclaim from historians politicians and educators Lauded for his New Deal policies leadership as a wartime president cozy fireside chats and groundbreaking support of the forgotten man FDR we have been told is worthy of the same praise as men like Washington Jefferson and Lincoln But is that true Does the father of today's welfare state really deserve such generous approbation Or is there a dark side to this golden legacy *The New Deal's War on the Bill of Rights The Untold Story of FDR's Concentration*

Camps Censorship and Mass Surveillance unveils a much different portrait than the standard orthodoxy found in today's historical studies. Deploying an abundance of primary source evidence and well reasoned arguments, historian and distinguished professor emeritus David T. Beito masterfully presents a complete account of the real Franklin D. Roosevelt, a man who abused power, violated human rights, targeted dissidents, and let his crude racism imprison American citizens merely for being of Japanese descent. Read it and discover how FDR shamelessly censored critics of his administration, barred them from the public square, destroyed their careers, and even bankrupted them when possible, locked up Japanese American citizens in concentration camps built on American soil, sowed the seeds of today's out of control surveillance state, and much much more. Here is an all too rare portrait of a man who changed the course of American history not for the better. Read it and you'll never view the fireside president the same again.

The Federal Prison System, 1964 United States. Congress. Senate. Committee on the Judiciary. Subcommittee on National Penitentiaries, 1964

Enemies Among Us John E. Schmitz, 2021-08

Recent decades have drawn more attention to the United States treatment of Japanese Americans during World War II. Few people realize, however, the extent of the country's relocation, internment, and repatriation of German and Italian Americans, who were interned in greater numbers than Japanese Americans. The United States also assisted other countries, especially in Latin America, in expelling dangerous aliens, primarily Germans. In *Enemies among Us*, John E. Schmitz examines the causes, conditions, and consequences of America's selective relocation and internment of its own citizens and enemy aliens, as well as the effects of internment on those who experienced it. Looking at German, Italian, and Japanese Americans, Schmitz analyzes the similarities in the U.S. government's procedures for those they perceived to be domestic and hemispheric threats, revealing the consistencies in the government's treatment of these groups regardless of race. Reframing wartime relocation and internment through a broader chronological perspective and considering policies in the wider Western Hemisphere, *Enemies among Us* provides new conclusions as to why the United States relocated, interned, and repatriated both aliens and citizens considered enemies.

Prisoners Without Trial Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prisoners Without Trial has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prisoners Without Trial has opened up a world of possibilities. Downloading Prisoners Without Trial provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prisoners Without Trial has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prisoners Without Trial. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prisoners Without Trial. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prisoners Without Trial, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Prisoners Without Trial has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Prisoners Without Trial Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
